Cross Country

Attention all 6-8th graders that would like to participate in Cross Country you are not too late. Practices are after school starting at 3:00 p.m. everyday. See Mr. Nellis at the middle school if you are interested. A recent physical must be on file. If you need a form, you can pick one up in the office.

Homework Club

Do you need a quiet place to get some school work finished? If so, homework club is just the place! We offer a homework club Monday-Friday until 3:20 p.m. Students receive a free snack and a quiet place to study and complete school work. If you are interested, please have your parent contact the middle school office (989-743-5641) and ask to speak with Mrs. Sawyer.

Water Bottles

Students are encouraged to bring a water bottle to school. We have multiple water fountains with filling stations that you can use. The bottle should be clear/transparent when possible and labeled with your name.

Bus Students

As a reminder, students who ride the bus to and from school have to wear a mask as this is mandatory on any public transportation.

“NO PEANUTS PLEASE”

Just a reminder, our amazing student population will include a student with a **life threatening** peanut allergy. We are asking you to only send snacks and lunch items to school that do not include peanuts. Attached you will find a PDF with ideas. Our breakfast and lunch

menu will be peanut free. Each room in the building will have specific protocols to follow and they may be different. One way to also help is to have your child brush their teeth and wash their hands AFTER they eat breakfast before coming to school.
