

Union Academy Charter School IT Department Fine(s)

At Union Academy Charter School, students in grades 6-12 have the privilege of being provided a school issued device (Chromebook) to utilize both on and off campus for educational purposes. When a device or equipment is checked out to a student in grades 6-12, that student assumes full responsibility for maintaining and possessing it (in the condition it was given) until the end of school year.*

Union Academy Charter School reserves the right to revoke the privilege for a student to have technology equipment at any time. All fines assessed are based on the current condition the device was brought in, as well as the current Technician assessing the fine. For questions or concerns regarding a fine, please contact Union Academy Charter School IT Dept.
