

You'll Be In My Heart . Phil Collins

CHORDU=

[Intro] **G** [Verse]

G **D** **G**

Come stop your cryin' it will be alright

G **D** **G**

Just take my hand, hold it tight

C

I will protect you from all around you

Am **D**

I will be here, don't you cry

G **D** **G**

For one so small, you seem so strong

G **D** **G**

My arms will hold you keep you safe and warm

C

This bond between us, can't be broken

Am **D** **B**

I will be here, don't you cry

[Chorus]

E **A** **B** **G#m**

You'll be in my heart, Yes, you'll be in my heart

C#m **A** **D** **B**

From this day on, now and forever more

E **A** **B** **G#m**

You'll be in my heart, no matter what they say

C#m **A** **D** **B**

You'll be here in my heart, always

[Verse]

G **D** **G**

Why can't they understand the way we feel?

G **D** **G**

They just don't trust what they can't explain

[Ending]

B **F#**

Always, I'll be with you

B

I'll be there for you always

F#

Always and always

B

Just look over your shoulder

F#

Just look over your shoulder

B

C

I know we're different but deep inside us

Am **D** **B**

We're not that different at all

[Chorus]

E **A** **B** **G#m**

You'll be in my heart, you'll be in my heart

C#m **A** **D** **B**

From this day on, now and forever more

[Bridge]

Asus2 **A** **E/B** **A**

Don't listen to them, what do they know?

Asus2 **A** **E/B** **F#m7**

We need each other to have, to hold

C#m **D** **B**

They'll see in time. I know

Asus2 **A** **E/B** **A**

When destiny calls you, you must be strong

Asus2 **A** **E/B** **F#m7**

I may not be with you, but you got to hold on

C#m **D**

They'll see in time. I know

E **B** **F#**

We'll show them together

[Chorus]

F# **B** **C#** **A#m**

Cause You'll be in my heart, Believe me, you'll be in my heart

D#m **B** **E** **C#**

From this day on, now and forever more

F# **B** **C#** **A#m**

You'll be in my heart, no matter what they say

D#m **B** **E** **C#**

You'll be here in my heart, always

Just look over your shoulder

F#

And I'll be there always
