Email Subject: Help Keep Mindful Education Thriving in Iowa!

Big changes are coming to Iowa's behavioral health system! Starting in July, the Iowa Primary Care Association (IPCA) will take on a key role in shaping behavioral health services statewide as the new Behavioral Health Administrative Support Organization (BH-ASO).

Challenge to Change's mindful education programs—like Mindful Education in Schools, Trauma Supports in Facilities, and Kids Yoga and Mindfulness Teacher Trainings—have already made a powerful impact on educators, students, and mental health professionals across Iowa. But to continue and expand this work, we need your voice!

We're asking you to email IPCA at info@iowapca.org by July 1, 2025, and share how these programs and instructors have made a difference for you, your students, and your community. Your message can help secure the future of mindful education in Iowa and ensure more people benefit from these life-changing programs.

To make it easy, here's a sample email to help you get started:

Subject: Support for Challenge to Change Mindful Education Programs in Iowa

Dear IPCA Team,

I am writing to express my strong support for the mindful education programs that have been instrumental in improving the well-being of students, educators, and mental health professionals across Iowa.
