#### **Wise Feedback VPLM Guided Notes Document**

For ease of navigation in the guided notes document, each section of the VPLM is located on a

different page. The Challenge section of the VPLM follows on this same page.

| Challenge After you read the student work sample provided in the VPLM, provide the feedback you would give Keisha in the space provided below. |  |

|  |  |
|  |  |
| Pause for Reflection (After watching the video and looking at the resources on the website, reflect in your notes about which component(s) you already use in your feedback to students. Which component(s) would be new to your feedback protocol? How can the new component(s) help students utilize your feedback to improve their work?) |  |
