Directions for Accessing Savvas through Google

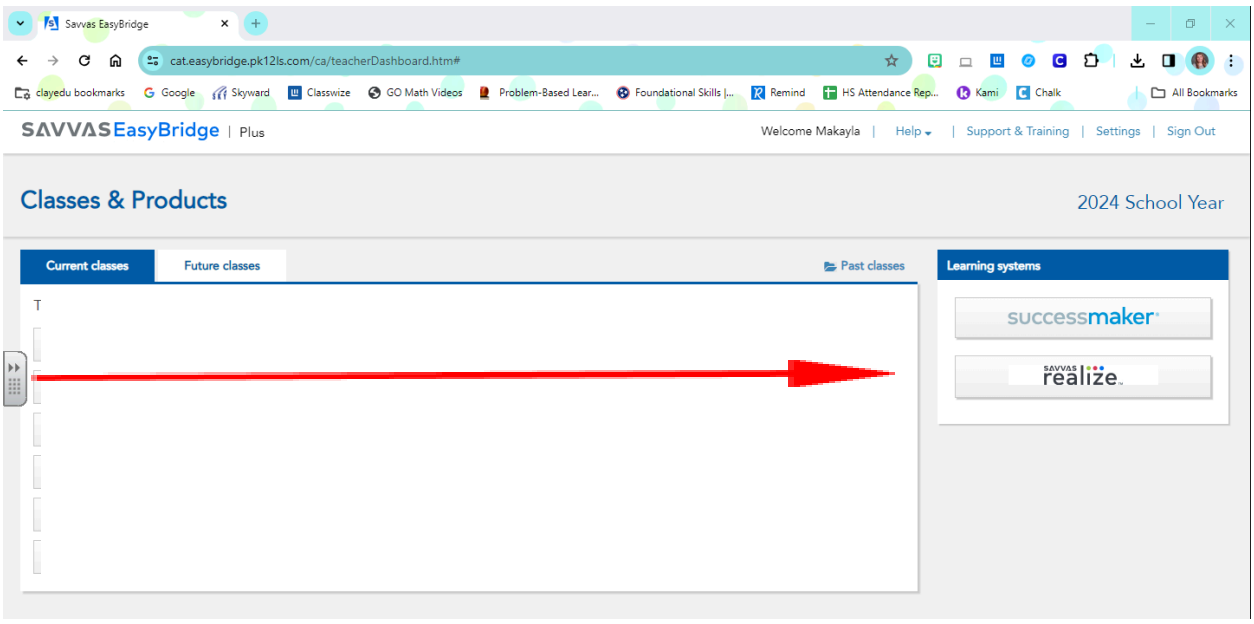

***Note: The looks of the screen may vary. ***

1. Log into google account (please ask teacher for this)

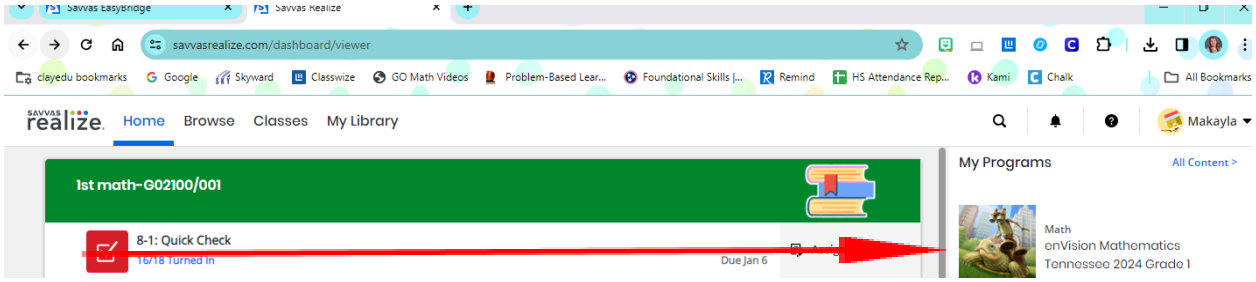

2. In the top right-hand corner click Google Apps & scroll all the way to the bottom and select “Easy Bridge”

3. Click Savvas Realize

4. Click “Envisions Mathematics Tennessee Grade 1”

Once you do this, it will bring you to all the content for first grade math. You will have to scroll down to find the lessons/unit we are on. (You should be able to find this on the math sheet in your child’s folder each day. For example: 8-1 would be under “Topic 8”.)

If you have any questions, reach out to me and I will try my best to answer them.
