

Hey Mark,

I'm impressed by your personal training videos on Instagram, and it is clear to me that your commitment to providing your clients with the best home workout sessions is second to none.

But while your training is top-notch, there's room to enhance your online reach and increase your customer base.

My name is Dylan Mistry, and I specialise in website optimisation and social media marketing. From analysing your business, and the strategies employed by market leaders, I have developed 8 specific outreach strategies to increase your online presence and brand-stakeholder engagement.

And best of all, if it doesn't work out, you don't have to pay me anything.

I look forward to collaborating with you to take Genacks Fitness to the next level. Let's connect with a brief call to discuss how our strategic partnership can help you to change lives.

Looking forward to the opportunity,
Dylan Mistry
