It's Work Time!

Maker's Space at Home: - Collect junk materials in your home. (small boxes, pouch lids, bottle caps, toilet paper and paper towel tubes, large boxes) Help clean and dry things like bottle caps and blueberry crates. Sort similar items into various boxes. Label them. Gather some scissors and masking tape and create a junk construction project!

ART Class: Art with Soto!

The Rainbow Connection:
Click here to hear about today's exciting activity!
Click here to learn more about this project and to see work from kids around NYC.
Be sure to click here to add your rainbow to the map!

Typing Skills: Practice your ***typing skills*** at www.typingclub.com

Jigsaw Puzzle: Create a jigsaw puzzle! Click here to see a video on how to do this.

Object Arranging: Create pattern arrangements with everyday objects like colored pencils, cotton swabs, push pins, silverware, candy, coins, cookies, or any other objects you can think of! Click here to see some really cool examples. Be sure to take a picture of what you create and send it to us!
Photograph your creation & place it on Homeroom App Photos

Drawing with Mo Willems! Videos go up each weekday at 1pm, you can go to https://www.kennedy-center.org/education/mo-willems and draw with Mo Willems! (Videos also available any time you check the site.)

Fly Like Paper: Set up your own Flight School with paper airplanes!
Click here to see an example

Homemade Bowling Alley: Create your very own bowling alley with toilet paper rolls, paper, and tape! Click here to learn how.

Board Game: Make your own board game!
1. Choose a theme
2. Make your game board
3. Make your game pieces
4. Add rewards and challenges
5. Decide how you move your game piece

It’s Work Time!

6. Decide on some rules
7. Play the game!
Click here for some examples and to see a video of a demo board game being created.

Bird Feeder: Create a bird feeder out of everyday household items! You could use a milk carton, egg carton, tin can, sticks, an orange, clay, toilet paper roll, or even a plastic bottle! Click here for some ideas to get started.

Build: Do you have building materials at home? Legos, wooden blocks, K’nex? What household items could you use (WITH PERMISSION) to build with? Books? Boxes? Plastic containers? Pretzel rods? Build something, take a picture, and send it to us!

Rube Goldberg Machine:
Click here to learn how. Watch the videos in this link for a little inspiration.
Gather Today...Build Tomorrow...
Post photos on our Homeroom page.

Rain Stick: Create a calming Rain Stick out of a paper towel roll and rice!
Click here to learn how

Collage: Prepare a bin or bag of collage materials. Include different kinds of paper (used paper, construction paper, index cards, post-its, brown paper bags, newspaper, magazines or catalogs), some tape, glue stick and scissors. (Other materials like bottle caps, fabric, beads, beans, stickers, popsicle sticks would be cool, too!) What will you create today? Maybe a bird collage inspired by your bird cam viewing?

Building Design Challenge: Click here to view today’s building challenge!

Cardboard Slot Sculptures: Join Art with Soto here to create **cardboard slot sculptures** with geometric shapes.

Build a Nest: Click here to learn how!

Yarn Dolls: Create your very own dolls out of yarn! Click here to learn how.
