

Dear New Homeowners of 2401 Homedale Cir,

We have truly enjoyed our time at 2401 Homedale Cir. Over the years, we have made updates that have enhanced both the comfort and functionality of the home, while maintaining its original charm. The layout has worked well for everyday living as well as hosting family and friends, and the outdoor spaces have been a pleasant extension of the home.

The location has also been a highlight—close to nearby amenities, yet tucked into a neighborhood that feels private and inviting. The flow of natural light throughout the home and the flexibility of the spaces have been features we've appreciated on a daily basis.

*As you make this house your own, we hope you
enjoy all that it has to offer and find it to be a place
that meets your needs for years to come.*

Welcome home.

Warmly, Jennayne & Irvin
