

Leilyue	Nihuang and Xia Dong's time in the army (and their love story)	
	Jingrui and the unfulfilled potential between him and MCS	
	Feiliu and Tingsheng when they are older/adults and their friendship and interactions	
	Jiangzuo daily lives shananigans	
	genderbent dealing w a male LS who became female MCS and the struggles of that transformation (or vice versatile with f!LS becoming male) jingsu optional	
lalunaticscribe	Xiao Jingyan/Mei Changsu	
	Red string of fate	
	爱你一万年 (love you 10 000 years)	
awasama	cats.	
	Lin Chen punches Jingyan in the face 8) (I should clarify here that I love them both?)	
star-shadows	anything about Nihuang and Nie Duo in Yunnan (backstory)	
	the brotherhood of the Jiangzuo Alliance	
	a day in the life of Fei Liu	
	the Jiangzuo Alliance sneakily watching out for / fussing over their chief	
swankitty	nihuang throughout the ages (bonus for nh/lis and nh/mcs!)	
	modern au, high school with regular high school shenanigans!! my only req is that the main trio, yujin, jingrui, and xia dong are all students, feel free to place the other characters wherever you'd like!	
	jingrui and yujin, reincarnation au!! happy ending please.	
	for podfic: any podfic of my nif fics would be wonderful!for fan translation: a comic/fic revolving around nihuang and xia dong!	
strangefen	The Adventures of Lin Chen, Mei Changsu, and Fei Liu	
	Mei Changsu survives! now what?	
	Emperor Xiao, General Lin Xie, and Marquis Yan what were they like before the Emperor's paranoia got the best of him?	
	Consort Jing and Consort Chen	
	Fei Liu and Uncle Meng, as you like but my head canon is that if MCS doesn't survive Fei Liu will end up with Meng Ji (and Lin Chen will take him out to play on occasion)	
aozu	JY/MCS, sex line au, go as explicit or not as you want. bonus with identity porn	
	JY/MCS, but Nihuang-centric where she can't believe the two army commanders can't tell each other's feelings, how can they be that oblivious	
	Jingrui/Yujin, where Yujin finds Jingrui's embarrassing crush on MCS extremely funny until he doesn't	
	Free choice pairing (add as many as you like) for a reality dating show au	
	JY/MCS, theme: food	
papricots	Slice of life stuff about the Su household - G rating.. mentions of accidental voyeurism ok LOL, pref: fic or art	
	Feiliu, no ships, G rating, pref: fic or art	

	JY/MCS, New Year story, any rating
	Ref folder: a collection of high quality stills/photos of the main characters making various expressions, good shots of their costumes, armour, hair, etc... it makes drawing easier for me and would be a wonderful gift to me and other NIF artists if you could save me the time of digging for images! ^^
	Fan art folder: a collection of great fan art from the fandom! JY/MCS is my ship but i love all the characters in general. I don't have much time or energy to scour for fan art, and I know I've missed a LOT over the years. If you have fave artists and works I'd love to see them compiled.
travellingstrawberry	Consort Jing & Nihuang interaction/friendship/mentorship
	Anything exploring Liu Xiaojie - Jingyan's wife
	"For this is what it means to be a king: to be first in every desperate attack and last in every desperate retreat, and when there's hunger in the land (as must be now and then in bad years) to wear finer clothes and laugh louder over a scantier meal than any man in your land." - C. S. Lewis (any character, but Jingyan obviously/preferably)
	Fei Liu after Mei Changsu dies (sorry)
	Nobody dies AU: Mei Changsu, Lin Chen and Fei Liu's marvelous traveling adventures
liuet	Teashop/Bakery AU, Rated Gen or T
	"There is no truth / that lies can make / no willing soldiers / in the wake" (from Back to the Earth by Two Steps from Hell), pref. visual art of some kind
	MCS/Lin Chen, post-canon "It's a good thing I didn't die" a la Shoebox Project, rating your choice, pref. fic
	almost-post-canon, MCS/Lin Shu puts the ghost of his father to rest at Meiling
ysse_writes	Xiao Jingrui and Yan Yujin, adventures in the jianghu, gen or m/m
	Lin Xie and Yan Que friendship and adventures pre-canon, gen only please
	Meng Zhi and Fei Liu continue their friendship post-canon, maybe Meng Zhi visits Fei Liu in Lang Ya Hall – strictly gen please!
	Yan Que and Lin Yueyao (Consort Chen), pre-canon, I'd prefer a fanwork that leans towards a romantic relationship but sex scenes not required
	Yan Que and Yan Yujin, father and son moments within and post-canon, strictly gen please! (Although side-pairings would be okay.)
kunaroll	The JiangZhou Alliance family having fun! Modern AU?
	LinChen being a troll
	Jingyan/Linshu/Nihuang hanging out/getting into trouble as kids
	Jingrui/Yujin getting into mischief as kids (+any other characters)
	Marquis Yan's unrequited love for Consort Chen
decrecendo	JY + MCS, Hikaru no Go AU, Rated G. I'm not sure how this would work? Maybe it's a straightforward AU where Jingyan accidentally picks up a haunted Go/chess/Monopoly board and is now subjected to the whims of the very petty, very elegant Divine Talent. Maybe it's a canon-divergent AU where MCS dies before he can return to Jinling, so he guides Jingyan to the throne as a ghost and disappears right after the Chiyan case is resolved.

	Eunuch Gao + Lin Shu, pre-canon interactions, Rated G. Based on Gao-gonggong's actions during the reveal, he seemed to have a really soft spot for Lin Shu, so I'd just like to see them interacting.
	MCS/JY, hurt/comfort, Rated G. MCS gets hurt/sick/mildly inconvenienced, and Jingyan gets increasingly protective of MCS and angry at himself. This could just be a compilation of scenes from the show—I like watching Jingyan suffer emotionally.
	any character, 红豆 by Faye Wong, Rated G. Anything based on the lyrics, particularly the refrain: 有时候有时候我会相信一切有尽头 相聚离开都有时候 没有什么会永垂不朽 可是我有时候宁愿选择留恋不放手 等到风景都看透 也许你会陪我看细水长流 Sometimes, sometimes I believe that everything has an end Reunions and partings all have their time There's nothing that lasts forever But then there are times I'd rather choose to linger, not letting go Until I've seen through all the scenery Maybe you'll accompany me to watch the ever-flowing stream
mss-eng	The Zhou family after the birthday party
	The relationship between xia dong and the other xia disciples
	LC and FL after LS dies
	College au w/ LS x JY
	Friendship between NH and GY
rdrfit	Present-day reincarnation AU, LS or MCS remembers, Jingyan doesn't. Whether they knew each other before or not is up to you. Pref, fic. Maximum: Explicit
	Pre-canon. Their relationship is one of those rare things Jingyan gets before Lin Shu does. Oblivious, flustered Lin Shu. Teasing Jingyan. Fluff & feels. Maximum: Explicit
	JY/LS, Outsider POV. Canon (pre/during/post) or AU, it's up to you! Maximum: Explicit
	Translation of your favorite JY/LS or JY/MCS fic/fanvid/comic. Preferably post-canon and will not leave me in a puddle of tears, but I will take all. Maximum: Explicit
	JY / LS or JY / MCS as adapted from any of my bulletproof AUs to read: Pride & Prejudice / Regency; Legally Blonde; Star Trek; Hogwarts; Glee (high-octane high school); if you're not familiar with these adaptation AU premises, feel free to pick another, but I would like to stay away from those we already have in fandom (for example, I LOVE daemon!AU, but if I remember correctly, we already have several). Maximum: Explicit.
merdy	have you heard of the delicate heroine MCS au? (http://smiting-finger.tumblr.com/post/149507949209/au-delicate-heroine-mcs) , literally anything from this universe would be <3, mostly looking for fluff and/or plot (/angst) MCS/JY (but I do love Nihuang tons – kind of curious how she would fit into this au actually), ANY medium, willing to go up to M rating for violence and language, but not smut
	post canon Fei Liu and Tingsheng shenanigans(hiding Lin Chen's precious pigeons)/bonding/subtly taking care (dad-sitting) mourning Lin Chen and Jingyan/growing up together (/seeing each other once in awhile); angst and/or humor, pref. art or fic (any pairings are fine, but focus on Fei Liu and/or Tingsheng preferred)
	any female character + change over time (can be pre-canon to canon, pre canon to post, pre-pre canon to pre-canon), whatever interests you most!

	post-canon Jingrui and Liyang and/or post-canon Jingrui and Yujin, moving on and picking up the pieces where they fell
	save Liyang (as in prevent her rape and subsequent marriage to Xie Yu), Yueyao (Consort Chen), or Princes Jingyang au, any canonical time period you wish
gixi ninja	JY/MCS OR MCSx LC - losing each other with each reincarnation. I particularly like the idea where LC's soulmate is MCS but in every lifetime MCS only comes from LS going through immense trauma. So everytime LC is reborn, he looks for MCS but he either gets no one because LS is JY's soulmate OR he gets MCS but knowing it's all through paaaaain.but also multiple reincarnation cycles that are just off sync (MCS comes back too quicky and JY/LC is old/dying).
	JY/LC - comforting each other after MCS dies. LC trolling JY.
	Consort Jing anything
j_gabrielle	Consort!Mei AU; he and the Empress gets along well and together they are a force to be reckoned with in the Inner Palace
	Jingyan meets Lin Shu for the first time as children and swears to marry him. Jingyan meets Mei Changsu for the first time and swears that he cannot stand him.
	Lin Shu/Mei Changsu x Jingyan; reincarnation au, they keep getting reincarnated and in their latest run one of them is 14 and the other is 26 & about to marry into the family
melody_jade	Mei Changsu /& Xiao Jingrui, canon divergent AU where Jingrui doesn't go to Southern Chu after the birthday party but remains behind in Jinling. How will their paths cross again, will Mei Changsu try to repair the relationship with Jingrui and/or help him secretly in various ways? Any rating except Explicit.
	Mei Changsu /& Xiao Jingrui, Jingrui finds out Mei Changsu is Lin Shu and they have a conversation about it, and there's some reconciliation/resolution between them. Maybe MCS apologizes for using Jingrui but Jingrui understands why Mei Changsu had to do it. Any rating except Explicit.
	Mei Changsu/Xiao Jingrui, both of them fell in love with each other during their pre-series adventures but Mei Changsu backed off because he knew he'll eventually hurt Jingrui due to his schemes and plans, leaving a disappointed Jingrui thinking his love is unrequited. Any rating except Explicit
xiaoxiongbear	XJY/MCS LS, Bake Off/GBBO AU (or any cooking show-type setup!), any rating
	Consort Jing/Consort Hui, kindergarten teachers/parents, any rating
	XJY/MCS, SPORTS AU!!! any sport!!!, any rating
	XJY/MCS - Gundam AU/mecha AU, rising political tensions between Earth and space colonies or something of the sort; MCS/LS as son (himself a soldier?) of the general tasked to keep independent colony mutineers in line and XJY as the son of a doctor/biological researcher/weapons or serum developer of one of the biggest colony independence movements in the galaxy; any rating
	Lin Chen/XJY - Fairytale AU, maybe of injured dragon!XJY and the strange not-quite-human doctor who nurses (? technically) him back to health, ascension to the heavens; any rating
armadda	Illustrations of NIF characters set in SW! JY/MCS preferred, though I have an AU and a character list soooo MCS as a Sith lord with a red lightsaber please! Jingyan as King of Naboo! (if as a Rebellion General please dress him in something else but those orange Rebellion fatigues those make my eyes hurt),

	you can go wild with everyone else. :D Banruo as a Resistance pilot, Lin Chen as a Force-sensitive monk like Chirrut Imwe. :D
	Steampunk/Silkpunk AU, JY/MCS, I will likely write something for this so fanart is preferred. :D Go wild with cyborgs and gears and stylized period clothing.
	1920s-1930s-1940s AU with magical realism/fantasy elements. The Disguiser meets Harry Potter, maybe? (not that I want a Disguiser crossover, I prefer them as their NIF selves but would love the Disguiser aesthetic. XD
	Chinese Diaspora AU, with the NIF cast having the mannerisms/traditions of wherever you're living. :D
	Fox Spirit MCS/Emperor JY illustration or fic. Can be dark, sensual, nsfw, you name it. :D
the cloud whisperer	MCS/XJY or Yujin/Jingrui, inspired by the legend of Damon and Pythias. This could be in a historical setting or a modern interpretation. Any rating.
	Avatar: the Last Airbender AU - in which everything is the same except that there's bending and Lin Shu is the Avatar. Everyone thinks he's died at Meiling, so for twelve years all of Da Liang is looking fruitlessly for the new Avatar, but surprise, the old one came back! Any rating.
	Coffee or Tea shop AU! This has likely been done before, but basically Jingyan hates caffeinated drinks but Jingyu prods him into visiting some hip new cafe anyways and then Jingyan ends up going back every day because of the gorgeous barista behind the counter <3 MCS/XJY, any rating.
	In which episode 54 didn't happen, there was no war, Jingyan ascended the throne peacefully, and MCS magically gets healed and stays with him. From the POV of our favorite justice buddies Shen Zhui and Cai Quan. Bonus if Jingyan recruits Justice Buddies to argue on behalf of his efforts to make MCS the empress.
	I'm terrible at coming up with prompts, so if none of these works, then honestly anything goes as long as we have MCS/XJY or Yujin/Jingrui, canon or modern, with unambiguous happy ending (this is the most important part :D)
yjtc	Your favourite headcanon for any of Jiangzuo Alliance's/Langya Hall's members.
	Xiao Xuan, Lin Xie, Yan Que, Xie Yu shenanigans
	Fluff (any characters from here: MCS, Jingmum, Jingyan, Jingyu, Lin Chen, Yueyao, Jingrui, Yujin, Jinghuan, Jingxuan)
Cleardye	time travel or groundhog day
	banruo/gongyu, post series 1 would be amazing
	the treatment for poison of the bitter flame turns MCS into a woman
	LC/MCS trolling for great justice
Umichii	Lie Zhanying/Xiao Jingyan, role reversal
	ZHANYING SENPAI, nuff said
	gang/crime au where everyone assumes JY is the leader since he's always the one facing the crowd but in reality it's Jingmum who is the true leader; LS is the detective assigned to the case and found JY's personality to be odd, that he doesn't seem like the domineering, leader-type; more of a general than a commander
Kota	Gong Yu finding her way in life + making her way to the Jiangzuo Alliance, any rating

	The Xie and Zhuo kids growing up the mixed household, any rating but M (because...kids...)
	The Jiangzuo Alliance as vampires (canon, not-canon, AU, anything), any rating
	Nihuang and Mu Qing, during the tournament to find her a husband
marvelist	Jingyan/MCS. Any medium. Any rating. There can never be enough Consort!MCS fics, where he fucks things up in Jingyan's court. And then delicately claims that he is naught but a mere, lowly consort, how could the accusers even entertain the idea that he could hatch such a plan? (Says this as Jingyan fusses over him.) Or, delegates from a neighboring country believe they can outwit the new emperor and score additional lands/wealth/extremely unfair trading agreement, what have you. They think a young emperor like that is fairly untried and naive. Instead, they get consort!MCS.
	Boku no Hero Academia AU. Jingyan/MCS. All mediums, though would love it as a fic or art. Any rating. Lin Shu always wanted to be a hero, but he's one of the unlucky 20% of the population without a quirk. He's determined to go to the prestigious Hero Academia anyway with his best friend Jingyan, who does have a quirk (up to you what it is). Sadly, he "dies" during a villain attack. Jingyan mourns, and takes a year off before starting at HA. But ho, who is that stranger who got in via recommendations and has the most versatile power of all? Up to you what powers they have.
	Jingyan/MCS. Any medium. Any rating. Their relationship through Foya's eyes. Can be AU, or canon. Can be when Foya is a wolf pup or older.
	Jingyan/MCS. Open to all mediums. Rating: Any. AU where Jingyan and his brothers are all the sons of the evillest evil super villain to ever live (dude killed 70 thousand people in one swoop once, that's crazy.) They're all supposed to compete against one another to get the coveted title of heir, but Jingyan doesn't even try because he'd rather be a hero instead. Besides, most of his villainist schemes are only successful because Lin Shu is the mastermind behind it. Except LS is "killed" by another villain who figures this out and is trying to make a name for himself/herself, and JY goes mad. How dark this goes is up to you. He can be an accidental hero because hunting down this villain makes him thwart his plans, or he goes super dark because LS is dead and life has no meaning anymore.
	Fei Liu. Any rating. Medium: preferably fic, since I'm not sure this would translate well in another medium. If you feel otherwise, go ahead and fulfill it in another medium. Forrest Gump AU in which Fei Liu is Forrest Gump and has all the insane luck in the world.
Jusrecht	Nihuang, pre-series post-Chiyan, any rating
	The Jiangzuo Alliance, Mafia AU, any rating
	Fei Liu, either pre-series or far in the future (adult!Fei Liu :D), any rating
	Prince Yu (Jinghuan)/MCS, canon or AU or ANYTHING REALLY, not total non-con, any rating
propylah	pre-canon Jingrui, Yujin, Lin Shu, Xia Dong, Jingyan in their younger days - fluff and fun and happiness
	Jingyan and Mei Changsu anytime after post-identity reveal - whether happy or suffering is up to you, art preferred but all mediums ok
	anything involving either mu quing or meng zhi!!!! open to anything, esp banter and fluff involving the mu siblings OR meng zhi taking lin shu under his wing in the army aaaaaahhhh

	NiF/the Disguiser crossover, in any shape or form (reincarnation, time travel, etc.), if fic, prefer no explicit ships; rating maximum T
	NiF/Legend of the Condor Heroes crossover, also in any shape or form, if fic would be cool to see some action, rating max T
flyturtlefly	Lin Chen's or any other character's friendship with MCS
	Any character remembering MCS post-canon
	Jiangzuo Alliance people dealing with their troublesome chief
orangememory	MCS/Jingyan/Time-travel AU with LS and MCS and JY and younger JY swapping bodies, shenanigans and hot sexytimes ensue, Max: M
	Jingyu/LS/JY, OT3, can be lovely, or sexy or dark and psychotic. You can also do any sort of BDSM for this OT3 or MCS/JY. Max:M
	Any Rarepair/threesome/moresome (excluding LC/MCS, LC/JY or MCS/NH please), preferred one person be either MCS, JY or Consort Jing. Give me tons of angst and knives here. Max:M
	Bodyswap AU's! :D Any bodyswap is fine.
	I am also aching for a social media fanwork where NIF happens entirely on a forum discussion
Lanerose	Mei Changsu / Mu Nihuang and a happier ending or otherwise fluff
	Lin Shu & Meng Zhi and the first time Lin Shu reached out to him after the Chiyan army gets destroyed
	Lin Shu hurt/comfort
	AU where Jingyan is with the army that gets destroyed and Lin Shu is a prince and how Jingyan saves the nation
paperheartrevolutionary	MCS/Jingyan - canon was so sad with these two that anything happy would be great. Canon-era missing scenes where they get to actually talk about MCS's return (and hug) or post-ending MCS lives fics/fanart would all be amazing, or if you want to do a modern AU(/other AU) about them (some angst is fine as long as eventually they're happy), that would be awesome too!
	MCS/Nihuang (or MCS/Nihuang/Jingyan) - same as the above, I think we missed out on so much because MCS constantly pushed her away and lied to her about his health. I'd love something with them both admitting that their feelings for each other are still really strong and not so easily sacrificed on the altar of duty, lol. For the OT3, I'd love something where Nihuang and Jingyan convince MCS to take care of himself better.
	MCS and Marquis Yan and/or Consort Jing - I'm really interested in the fact that Marquis Yan and Consort Jing are potentially the only two "parental" figures that MCS has left – Marquis Yan was very close with Lin Xie and Jingmum obviously was Lin Xie's adopted sister. So I'd love to see them knowing who MCS is and looking out for him, whether by directly mothering/fathering him (and somehow forcing him to accept it...lol) or indirectly helping him out, preferably set in a post-ending AU or in the latter half of the series.
	This is more exacting but I wanted to give some prompts that are easy for the other mediums as well. There was a fic recced on the fandom Discord recently which I think would be really cool to see translated into English! http://lutujia.lofter.com/post/1cb7503f_957ef26
	Again, a different prompt for a different medium – it would be cool to see a fanvid set to an English language song (or to see one of the Chinese ones subtitled – either way!). I feel like "Human" by The Killers is oddly suited to MCS,

	or to be more sappy, "Two Ghosts" by Harry Styles works pretty well for MCS/Jingyan, haha. But any English-language or English-captioned song/idea you have for a fanvid would be great!
Likefireinanaly	Nihuang & Xia Dong; either slash or gen; anything about their relationship, but would love to see pre-canon growing up shenanigans or AU; rating: any
	YJ/JR; pref. slash or pre-slash; pref. modern day or college AU or anything where one of them is in love but doesn't realize it; nothing too angsty please! rating: any
	YJ/JR/GY; basically anything about this OT3, pref post-canon or modern day AU; rating: any
	JY/LS; anything based on mythology or a fairytale or modern detective AU; rating: any
UoU	MCS/JY, Modern Soulmates AU, Suffering, Fluff and Bromance™ , Rating T
	Lin Shu/MCS, Nihuang, JY, Harry Potter AU cause why the heck not, Rating T
	Open to any characters-surprise me lol, bonus points if there's a cameo involving Lin Chen. Modern Roommates AU, Rating T
	My precious sons Jingrui, Yujin and/or my grandson Feiliu getting up to no good together, rating T
	Any characters, X texts Y by mistake and now X wouldn't stop texting, Modern AU, rating T
luna	LS/JY build a family. How/what/who is up to you, can include poly with NH or other. Any rating. Just sweet sweet domesticity<3
	Anything on the theme of Loyalty featuring any of my precious puppies Zhanying, Meng Zhi, Li Gang, Zhen Ping. Would prefer heart-warming rather than all knives.
	LS/JY genderbend! One of them is a girl, lighthearted romance or cracky shenanigans.
	Any AU featuring cute fluffy creatures in any incarnation (for ex: pets, pokemon, daemon, animagus, etc)
	Parent gen shenanigans when LS & JY were wee babies. Goober bro Jingyu? Aunties Chen, JinYang, Liyang being meddling and arranging marriages? Babysitting getting foisted on a young!MZ & NF? Anything is possible!
