

## **FREENOW Taxi Marketplace Listing Guidelines**

### **Listing Titles:**

Ensure your listing titles are formatted as follows:

- Capitalise the first letter of every word.
- The title should be written as: Car Make & Model - Year - Location.
- Example: *Toyota Avensis - 2021 - Dublin.*

### **Description Guidelines:**

Be as descriptive as possible

- Make, model, and year of the vehicle.
- Mileage and condition of the car (e.g., "Well-maintained," "Recently serviced").
- Fuel type (e.g., petrol, diesel, hybrid, electric).
- Duration of the rental (e.g., weekly, monthly, long-term) and any additional fees or deposits required.

### **Plate Sales Prohibited:**

Selling plates is **not permitted**. You can offer long-term rentals with an upfront price.

### **Contact Information:**

Do not include your phone number or personal contact details in the title or description of the listing. Inquiries should be made through the marketplace.

### **Images:**

- Upload multiple clear images of the car from different angles.
- Image 1: Take from front driver side where you can see both the front and side of the car
- Image 2: A photo from the back passenger side showing the back and side of the car
- The background should be as plain as possible and not showing other vehicles
- Use updated photos with FREENOW Ambassador branding where applicable.

### **Bulk Listings:**

Aggregate or bulk listings are not permitted. Each listing must be for a single car, with accurate details provided.

## Example listing:
