

Portfolio Requirements Stage 1

Rubric for the "Digital Portfolio Stage 1" project

Criteria	Incomplete (0 points)	Complete (5 points)
Public link	Did not turn in the PUBLIC link to the Google Site/digital portfolio.	Turned in the PUBLIC (not the "EDIT") link to the Google Site/digital portfolio.
Homepage	Homepage is missing or does not include safe information, text, hyperlinks, and images. Poor formatting.	Homepage includes safe information about the student, with text, hyperlinks, and images. Well-formatted with a title.
Music page	Missing title, fewer than 2 embedded music videos, or videos are not school appropriate.	Includes a capitalized title and at least 2 embedded school-appropriate music videos.
Wonder Links	Missing videos, page title, image, text, or hyperlink. Less than 2 videos from specified sources.	At least 2 embedded videos (1 from "Wonderopolis" and 1 from "The Kid Should See This"), an image, text in complete sentences, and a hyperlink.

Extra Credit	Basic page requirements met, no additional effort in design or content.	Excellent design and additional content. Image banners, consistent color scheme, accessible (ALT tags), and responsive design. Up to 5 bonus points.
