August 16, 2019

Dear Westview Families:

Welcome to Westview 2019-2020! Back to School Night for sixth grade families is Wednesday, August 21 from 6:00 - 7:15. This is a great opportunity to begin to develop the partnership between families and teachers that is at the heart of everything we do at Westview. We look forward to seeing you Wednesday evening.

Students are welcome to come with you but please understand that our middle school Back to School Night is designed to be an information night for parents. The evening begins in the Student Center where I will provide a very brief introduction to Westview Middle School. You will meet our counselors, elective teachers, and others who will be working with your child. After the presentation you will be invited to core classroom areas to meet your child's core team of teachers.

With the core teams, you will meet your child's language arts, math, science, and social studies teachers. You will be introduced to traditions, routines, and expectations at Westview. We will talk about academic learning including our instructional program, curriculum and standards. We will also explain how you can be involved in your child's education at Westview.

## **Special Education Parent Presentation**

Just prior to Back to School Night at 5:15 Westview and SVVSD special education staff will present important information regarding special education services at Westview. Parents will have the opportunity to learn more about our program and to meet the people involved. This opportunity is designed for parents of students with an Individualized Education Plan (IEP).

We look forward to seeing you next week. As always please do not hesitate to contact me directly with questions or concerns.

Sincerely,

Mark Spencer  
Principal
