AFFORDABLE HOUSING ADVISORY COMMITTEE -(3 year term) - One vacancy

- Chair recommends appointment of Alvarez Abernathy

ALCOHOLIC BEVERAGE CONTROL BOARD - (3 year term) - One vacancy

- Robin Cape was interviewed and appointed to serve at the pleasure of Council as Chair in October 2022 for which she is still serving. Her term expired November 13, 2023. We did not reappoint her. Would the Committee like to reappoint or open up the application process?

BOARD OF ADJUSTMENT - (3 year term) - Four vacancies - two regular seats and two alternate seats

- Board chair and staff liaison recommend reappointment of Suzanne Godsey (regular seat), and appointments of John Michael Kledis (regular seat -was alternate), Annette Wise (alternate), and Jillian Ballard (alternate).
- We will revise our ordinance to align with state law so we will only be looking to appoint 2 regular seats and 2 alternate seats.
- The ordinance revision will be coming to the Boards & Commissions Committee in the near future.

DESIGN REVIEW COMMITTEE - (2 year term) -Three vacancies - One Downtown seat and two at-large seats.

- No applications were received from any Downtown Commission members.
- Chair and staff liaison recommend moving Ricardo Seijo from at-large seat to Downtown seat (Ricardo is interested in that).
- Chair and staff liaison then recommend the reappointment of Bryan Moffitt (Downtown Commission seat), and Michael McDonough (at-large), and the appointment of Steven Lee Johnson to the at-large seat vacated by Ricardo Seijo, if that move is approved.

VERBATIM RECOMMENDATIONS

FROM DOWNTOWN COMMISSION CHAIR:

Stu Helms. In losing Andrew, we lose a lot in terms of a downtown resident, familiar with our wage earners, connected to the sidewalks. Stu checks some of those boxes and is familiar with the restaurants and restaurant staff.

Ben Gladstone. We have a couple of planner/landscape architect applications, and Ben's strikes me as the best. He doesn't bring the same experience, connections, design, etc. of SLJ, but who does? Ben brings a solid sustainability portfolio to the DTC.

Alternate: **Billy Cooney** - downtown resident, urban planner

FROM UFC CHAIR:

Karen MacNeil - Last year, Karen was appointed to fill an unexpired term on the Urban Forestry Commission. She has a proven body of work while on the commission, including her current roles as chair of the Appropriate Species List Working Group and as co-chair of the Enforcement Working Group. We recommend her re-appointment to a full three-year term.

Scott Alba - Scott is an ISA Certified Arborist, currently a Board-Certified Master Arborist, and owner/consultant of Black Mountain Arborists. He has a stated experience in forest ecology, urban ecology, and urban forest management.

Patricia Grace - A resident of South Asheville and now retired, Patricia has expertise in horticulture, landscape design and maintenance, and sustainability. She received a BA from the University of South Florida (Sociology), a BS from Florida A&M, University (Landscape Design and Management), a Masters Degree from the University of Florida (Agricultural and Extension Education and Communications) and a PhD from Virginia Tech (Agricultural and Extension Education).
