

OMORI: A SONG COVER MUSICAL!

SCRIPT CREDITS

Song Lyrics: Grey-Spark and OMOCAT

Music Composers: Pedro Silvas, Jami Lynne, and Bo En

PURPOSE / DISCLAIMER

OMORI: A Song Cover Musical! is a collection of song covers adding lyrics to the original soundtrack featured in the 2020 hit indie horror video game *OMORI*.

This project has no association with OMOCAT and is not meant to be made into a real-life stage play, nor is it a play in any meaningful sense. Rather it is a collection of songs that could *hypothetically* be featured in an OMORI-themed musical that does not exist. Therefore, should be considered 16 independent song covers released to the internet.

MOLLY

[Spoken]

My, my~ these children seem are trying to stiff us.

MEDUSA

Most unacceptable. We must collect our payment somehow.

MARINA

Let's take a look at their insides, see what we can sell.

HUMPHREY

Ooo! Can I sing too!

MOLLY

No Humphrey, you just must block the exits.

HUMPHREY

Aww :(

MEDUSA

Now? Shall we begin?

MARINA

Heh heh heh heh heh!

MOLLY

I'm Molly

MARINA

I'm Marina

MEDUSA

I'm Medusa

MOLLY, MARINA & MEDUSA

We're the Slime Girls!

MOLLY

You better pay up or else, we'll dissect you for what sells,
You better pay up or else, we'll dissect you for what sells,

MEDUSA, (MOLLY) & ((MARINA))

Please, you're making this hard.
(You better pay up or else, we'll dissect you for what sells,)

No checks, cash upfront.
(You better pay up or else, we'll dissect you for what sells,)

We also accept card
(You better pay up or else, we'll dissect you for what sells,)

or else you'll become the hunt!
(You better pay up or else, we'll dissect you for what sells,)
((I've revin'! I'm waitin'! Ready, to go!))

MARINA

Ready to chop, gash, shred and mince,
Baby I'll have to rinse, my-
Souped-up set-up!

MEDUSA & (MOLLY)

We search for truth,
(Gotta make rent and need. Some girls got whales to feed.)

in our flight of fancy!
(Gotta make rent and need. Some girls got whales to feed.)

MARINA

Shred ya to bits, poke, prod and stick,
Checking what makes ya' tick, from-
insides outside.

MOLLY & (MEDUSA)

We search for truth,
(Must make rent and need. We have a whale to feed.)

in our flight of fancy!
(Must make rent and need. We have a whale to feed.)

MEDUSA

(Spoken)
You kids are more resilient than expected!

MARINA

You know what that mean's its time to get serious!

MOLLY

I'm actually having fun!

MEDUSA

We're not supposed to having fun! We're supposed to be studying the universe!

Now let's show them our combined brilliance! All together!

MOLLY, MARINA & MEDUSA

We study this world for answers aloof,
Fruitless and inconclusive.
Research, knowledge, and truth.
We may be wise, yet our prize
remains elusive.

MOLLY

My back just gave out

MARINA

We need a timeout

MEDUSA

What will we do now?

MARINA

We gotta' feed the whale somehow!

WHALE WHALE WHALE

HUMPHREY

[Spoken]

Whale whale whale!

In a few moments, you will be eaten!

And this whole cycle is going to start all over again.

So its- time to feast! Time to feast! Time for you to be deceased!

YOUNG KEL

We don't want to be eaten!

YOUNG HERO

It's hopeless guys...

YOUNG AUBREY

How are we gonna get out of here?!

HUMPHREY

Don't try to squirm. We know the outcome.

Who do you think you're trying to kid?

You can play hero. You can play dumb.

But my friend Abbi knows what happened.

The heat is on, gonna be burnt by my rhymes,
like a steak that's about to sear.

You can try again, but you better bet next time-
I'll be waiting here to laugh and sneer!

HUMPHREY

Health points. Life points. Strength and weakness.
Can't you see it's all a game?
An unbeatable boss, in a pointless world.
This endless loop is driving me insane.

On your knees, you better give up now,
there'll be a whaling n' gnashing, for you in here
For a deserved loser-coward like you,
you stick the knife and you twist it.

I'm the devil on the shoulder you know.
You'd do anything to beat the Black back again,
but you're a glutton for punishment starvin' for a show,
so I'm afraid this cycle will never end!

Take a moment to meditate on this...
Ignorance is the only way to bliss.
Nyak!, Nyak!

GOOD MORNING

SUNNY

One more day the sun reaches my bed
One more day to spend alone again
Morning starts without me
I seem to find it hard to wake up

Steadily my thoughts take hold of me

SUNNY, KEL, AUBREY & HERO

It's hard to stay awake...

SUNNY, YOUNG KEL, YOUNG AUBREY & YOUNG HERO

...or fall asleep

SUNNY

Memories of the past

MARI

Both the good...

BASIL

...and the bad

SUNNY

Overwhelm me

SUNNY & AUBREY, (KEL & HERO), ((FULL HEADSPACE CAST))

There's so much I wish I could take back (You can't take it back)
((There's so much you wish you could take back))

SUNNY & BASIL, (KEL & HERO), ((FULL HEADSPACE CAST))

Sometimes I might think that it's too late (But it's not too late)
((Sometimes you might think that it's too late))

SUNNY & HERO

Though the pain remains

SUNNY & KEL

And though it may be hard

SUNNY

I'll carry on

MARI

Time to rise and shine
Good morning!
