

We want to know what you prefer when schools/programs are cancelled for weather related days * **please respond by 10.28.19** * thank you for taking the time!

1. I would like the option to go unpaid or take PTO if the students I work with that day program is cancelled.
2. I would like the option to be on- call and have office hours.

PLEASE CHOOSE ONLY 1 OPTION!!! I am trying to make a decision about 1 or 2 and can not logistically be both. So which one based on your experiences of VT and school closings do you prefer.
