Economics Project:

- Students are to create a good or a service that they would sell to make money.
 - You can make a prototype of your good or service if you have art supplies at home **or** you can draw a picture of the good or service.
- Make a poster to advertise your good or service.
 - How much money would you charge?
 - What would the name of your store be?
 - Why would consumers be interested in your good or service?
- Make a video of yourself showing or demonstrating your good or service and post it to Seesaw.
- All projects are due Friday, April 17, 2020.

Example of a poster advertising your good or service:
