

Reminders from the Health Office at TPS

- **All Medication orders must be renewed each school year.** New Medication orders and medication should be brought in the day before or the first day of school. Students are not allowed to transport medications to school. (two exceptions are: EpiPens or rescue inhalers that a student carries in their backpack) **Nurse must be notified of any self- carry medications.**

- ALL medications administered at school must have a physician order and parent permission. This includes prescription and over the counter medications. Please see the medication policy on the website. **Please see the forms below.**

 Food Allergy Action Plan

 beestingallergyactionplan.pdf

 Asthma Action Plan

- **All students must be fully immunized by the first day of school.** The only exceptions are written documentation from a doctor for medical exemptions or a written document stating due to religious beliefs your child has not been vaccinated. **The exemption forms must be renewed at the beginning of each school year.** Those not fully vaccinated may be excluded from school if an immunization preventable disease occurs at school. **In addition 7th grade students need an immunization update.****Please see the guidelines below.**

 **guidelines-ma-school-requirements-updated_26Mar21 (8).docx**

- In compliance with Massachusetts General Laws, Chapter 71 Section 57 all students must have a copy of a **current physical examination** on file at the following times:
Upon entry into the school district (dated within the last year), entering **Kindergarten, 4th, 7th and each year for all students who participate in school sports.**

- Reach out with any questions or concerns
