

Orin - Orin's Divine Will Series: Living a Soul Life with Divine Will

Welcome to this set of journeys that will assist you in calling upon the power of Divine Will to transform various areas of your life so you can become a soul-infused personality and live a soul life. In this course on Divine Will, you will link with all 7 Divine Wills that you connected with in Orin's Transforming with Divine Will or in Orin's other Divine Will courses, calling upon them to strengthen your connection to your soul and transmitting them to various areas of your life.

You do not need to effort or struggle to live a soul life. Simply call Divine Will to you and transmit it to your life to bring about wonderful and positive changes. Divine Will is a powerful force of pure spiritual energy that you can call to you. As you draw in Divine Will, you become a transmitter of it. Divine Will transforms whatever it is transmitted to; bringing that area into harmony with the divine plan and purpose of your life. As you transmit Divine Will to certain areas of your life, these areas will come into a greater alignment with the Divine Plan of the Universe and in alignment with the higher purpose of your life.

You will work with all 7 Divine Wills in each journey to awaken to divine love, to strengthen self-love, to transform your emotions, to illuminate your mind, to know your life purpose, to increase abundance and prosperity, to receive clear inner guidance, to expand your creativity, to evolve your body, to create a supportive environment, and to experience and live your life as a soul. You will link with your soul to bring every area of your life into alignment with your soul's higher light to experience more opportunities, blessings, abundance, and all good things.

People have written us with wonderful stories about how various areas of their lives have shifted since they called upon Divine Will to expand their consciousness, and directed Divine Will to various areas of their lives.

As you bring your life into alignment with Divine Will you are serving humanity; for when enough people have aligned with Divine Will the purposes of humanity can be known and fulfilled, and the animal, plant, and mineral kingdoms can be served.
