

Episode 3: The Convict Part of You

“Shows Star and Purple Dice sitting on the grassfields”

Star: So how's your team been for you?

Purple Dice: It's...alright.

Star: ...It's not isn't it?

Purple Dice: Well, Bronze Medal keeps on crying, Pizza Box keeps on asking me about deliveries, Band-Aid is boring, and Phone keeps on trying to dial 911 over and over again but IT'S ALRIGHT!!!

Star: Oh...Well my team's fine too. Well, besides Ninja. Dude's incredibly spooky.

Purple Dice: It's alright! Maybe that's just how they act!

Star: I guess...

“Ninja is shown hiding in a bush”

Ninja's thoughts: Ugh...I need a distraction.

“A stick teleports right next to him”

Ninja: Huh?

[For getting the most favorite votes, you get a prize!!!]

Ninja: Oh. Convenient. Anyways gotta keep my name out of the question.

“Throws a stick at Star”

Star: Ow! Who's there?

Chair: Me.

Star: Why'd you hit-

Chair: It's elimination time!!!

Purple Dice: Wait wh-

“ITS ELIMINATION ELIMINATION yeah.”

Chair: Welcome Team . to your first elimination!

Thread: Geez is it still team . ?

Chair: Hey you guys came up with the name.

Marker: yeah guys i dont really get the issue.

Infinity: but-

Chair: So we got 3 votes this time and each vote is for a separate person.

Infinity: Wait what?!

Chair: Yeah...but we'll deal with that later.

Thread: Oh no...Us girls need to stick together!

Chair: Well good news for YOUR alliance because you are one of the 2 people who got 0 votes!

Thread: Oh really? Awesome!

Mouse: Congrats Thread! Hopefully I'm safe next...

The Sky: WHAT?! I'm in the bottom 4?! noNoNONONO!

“Silence.”

Marker: Who are you and how are you even on the show?

Chair: Whatever. It's down to Marker, Infinity, Mouse, and The Sky! Only one of you got 0 votes while the others got 1 each!!!

Thread: Alliance! We have to stick together!

Mouse: We're in an alliance?

Chair: Well good for YOUR alliance because I can confirm that Marker and The Sky are NOT the ones that got 0 votes!

Marker: Whatevs.

The Sky: Oh NO!!!

Mouse: Wait...but that means,

Chair: Yep! It's down to Mouse and Infinity! And the person safe is.....

"Drum roll"

Chair: Infinity! With 0 Votes!

Infinity: YES! "Look at scared Mouse" oh...

Chair: Mouse, Marker and The Sky have all gotten 0 votes. So we need a tiebreaker.

"Teleports to a cliff"

Chair: Your tiebreaker is a classic. Jump off of this cliff and into the circle below! Whoever does so STAYS in the game! The 2 losers will be eliminated from the game.

The Sky: Wait, how do I do this challenge?

Chair: I don't know. Figure it out. I don't care. 3-2-1 GO!!!

"The Sky flies down into the circle in the water"

Marker: Oh no you don't!

"Marker grabs a rock and throws it at The Sky which hits him"

The Sky: OW! What's wrong with you?!

Marker: You're a threat. Is it not obvious?

Mouse: Welp, now's my chance!

"Mouse jumps into The Sky's mouth"

Everyone: D:

The Sky: Uhhh I'm not going to ask...

Marker: Jumps off the cliff aiming into the water below"

The Sky: Oh no you DON'T!

"The 2 are diving into the raft in the water"

Chair: The winner is...

"Splash"

Chair: MARKER!!! You stay in the competition!

Marker: Easy dub.

Chair: I'm sorry but The Sky and Mouse. You failed to complete the challenge so both of you are eliminated!

The Sky: Oh well, better luck next time.

"Mouse gets recovered"

Mouse: What happened...

Chair: You lost.

Mouse: What I'm out?! Oh...

"Both of them get teleported away"

Marker: Where did they gooooo.

Chair: Don't care. Let's do the challenge!

Brick: Oh good. What disastrous challenge did you prepare this time?

Brick Wall: Manners man.

Chair: Anyways...your challenge is t-

"Everyone gets hit by a sleep dart"

Campfire: What is going on..

"Everyone wakes up and they're all in a jail cell with their hands in handcuffs"

Strawberry: Where are we? This place looks-

Window: Are we in jail?!

“A TV appears in front of them and plays on”

Chair: Hey contestants! How are you guys doing today?

Planty: Not good, we're in JAIL!

Stop Sign: Hey! Putting us officers in jail is against the LAW!

Chair: Hey! Hey! Calm down everyone, it's for the challenge! Today, you're going to have to escape this gigantic prison. There are guards, traps, and many other things here so be careful. If you get caught, you'll die and lose. Whoever escapes out of this place successfully wins immunity for their team. Whichever team doesn't have ANY members escaping will be up for elimination.

RedFinland: Wait! What about-

Chair: Oh yeah forgot to mention. Every team that loses will be up for elimination where the viewers will vote on as many of you they want eliminated. From there whichever contestant gets the most votes will be eliminated!

Infinity: That doesn't seem too difficult.

Chair: So 3...2...1...GO!

“TV turns off”

“Everyone starts to panic”

Star: What are we going to do?!

Stop Sign: LET US OUT!!!

“Everyone starts panicking”

“While everyone is panicking, Team . goes up to the vents secretly and shuts the vent back and breaks their handcuffs using the walls”

Marker: Ha ha! That'll teach the panickers.

Thread: Isn't it a bit RUDE to leave everyone behind?

Infinity: I'll go get them!

"Infinity jumps back down"

Marker: Okay let's leave her.

Thread: What?! Why?

Marker: It's good for us. If we escape, we win for the team. Besides, it's not like we need Infinity anyways.

Thread: Hey that's-

Marker: Do you want to end up like her, or not?

Thread: Well...

Marker: That's what I thought. Let's go!

"Marker grabs Thread and starts going through the vent. Then, it cuts to the panicking contestants"

"Stop Sign goes up to one of the guards"

Stop Sign: Hey buddy! Me and my guys need to get out of here. We're cops together! Right?

"The guards frown at Stop Sign and shoot him with a gun"

Google Chrome: Okay so we just don't do what he did. I say we bail it.

"Google Chrome grabs Planty, Campfire, and Highlighter's dead body and starts running"

Guards: Hey! Get back here!

Planty: What are you doing idiot?

Google Chrome: Getting us the heck out of here!

"Back to everyone panicking"

"Phone dials 911 again"

Police: Calling 911 as a prisoner is illegal.

"Guards shoot Phone"

Star: Team! I have an idea! I can contact one of my friends to get us out of here! All we have to do is go somewhere else in order to not get caught.

Strawberry: Oh...that's-

Star: Wait, where's Ninja?

"Back to the vents..."

Marker: Hey, I hear footsteps.

Thread: I don't. Come on, let's go!

Marker: Whatever.

Star: Whatever. Let's go! Run!

"Star, RedFinand, Strawberry, and Window wing it, but this time they go the other way"

Purple Dice: So what do we-

Guards: It's time to take you to your cells inmates.

"The guards throws Purple Dice, Bronze Medal, Pizza Box, Band-Aid, Spaghetti, Brick, Brick Wall, Broccoli, Infinity and Pokeball into separate cells"

Bronze Medal: Now what do we do?

Pizza Box: Yeah I still have to deliver Pizzas!

Guards: Shut up. You are going to be here for a long time.

"Shuts the cell and walks away"

"Broccoli opens a chainsaw and falls the floor beneath her"

Broccoli: Later losers!

"Pokeball with a pickaxe, breaks the wall of her cell into Broccoli's, breaks out Infinity, and hops into the hole with Broccoli"

Infinity: Woah! Thanks!

Brick: Hey! What about us?!

Brick Wall: Whatever. Just stay for now.

“Back to Team POOP running left”

Google Chrome: You two! And the dead body. Get the guards to stop shooting at us!

Planty: Dude. We still have handcuffs on. How are you still running?

Google Chrome: I work out at the gym. Anyways, throw something do ANYTHING!

Campfire...

Google Chrome: HURRY!!!

Campfire: I know what I have to do.

“Campfire runs to the guards and sets himself ablaze killing the guards and himself”

Planty: CAMPFIRE!

Google Chrome: Sacrifice assured, We have to get in the elevator quickly! It's about to close!

“Google Chrome runs as fast as they can but it doesn't seem like they'll make it”

Google Chrome: I can't run without yall on my back! Wait...why am I still carrying that traitor with me?

“Google Chrome throws Highlighter's dead body into the fire”

Google Chrome: There we go!

Planty: Good! Now RUN!!!

“Google Chrome runs really fast and enters the elevator just in time”

Planty: UPUPUP!!!

Google Chrome: Looks like we're headed outside! Once we get past the perimeters we'll be SAFE!

Planty: Say, I wonder if the other teams are doing POSSIBLY any better than we are.

“Back to team CO”

RedFinland: HOW can this be possibly better when there's FIRE chasing us and the best way we got is a window straight ahead!

Star: Don't worry! There's a dock! We sneak by, hitch a ride on one of those things, and we'll be FREE!!!

Strawberry: Yeah but the FIRE'S CATCHING UP FASTER! I don't know if we'll make it!

Window: Hmm...That's it!

"Rams his handcuffs against the wall which breaks him"

Window: Everyone! Ram your handcuffs!

"Everyone starts ramming their handcuffs"

Strawberry: We're not going to make it!

"Star realizes something."

Star: To be a team leader, one must show an act of SACRIFICE!!!

"Star throws RedFinland, Strawberry, and Window out the window out into the deck. Then, Star burns to death"

Team CO: AHHH!!!

"Strawberry gets squished, Window gets shattered, but RedFinland survives, with major damages."

RedFinland: Ugh...there are still guards...I have to escape...

"Back to Team . in the vents"

"Marker, Thread, and Ninja(yeah he made the footsteps if you didn't know)"

Marker: Shhh...There are 2 guards blocking the door. What should we do?

Guards: Hey you two! FREEZE! Put your hands in the air!

Thread whispers: Marker! What do we do?

Marker whispers: Screw it. We fight.

"Marker runs and kicks one of the guards in the face"

Thread: Marker!

Marker: What are you doing? HELP ME!

“Thread watches in shock as Marker is tackling down the guards”

Thread: I..I can't do that!

Marker: You HAVE to! It's either this, or we lose and we'll be up for elimination!

“While Marker's saying that, Ninja sneakily runs undetected”

Thread: I..Okay...

“By using her Thread, Thread ties up the guards”

Marker: Brilliant work let's go!

Thread: Geez whatever happened to going on your roblox account all day?

Marker: Well is that the ONLY thing I do? Whatever. Let's go!

!ATTENTION! !ATTENTION! TWO CONVICTS HAVE ESCAPED. !ATTENTION!

Google Chrome: Oh you've got to be kidding me.

Planty: Come on! We're almost there!

“Back to Infinity, Broccoli, and Pokeball down the hole”

Broccoli: ugh...I want to do it again...

Pokeball: Hey look! It's a cellphone! And there are contact lists!

Infinity: Nice! So who should we call?

“Calling Marker”

Marker: Shhh pipe down you!

“Guards hear the phone call and start running towards Marker and Thread”

Marker: YOU'VE GOT TO BE KIDDING ME! RUN!

“Hangs up”

Pokeball: Uh, I think they hung up.

Infinity: Whatever. Hey look there's an elevator! If we get to the top, we can EASILY escape!

“Guards run in”

Guard: Not so fast you!

Guard: You're coming with us!

Broccoli: AHH! “Throws Infinity at the guards and makes a run for it with Pokeball behind”

Infinity: Hey girls! AHHH-

“The guards break infinity in half”

“Back at the cells”

Band-Aid: Well this is just great. We're stuck here while they get to have fun.

Purple Dice: Wait! I got an idea!

Everyone in the cells: ?

Purple Dice: Pretend you're sick!

Bronze Medal: What?

Purple Dice: JUST DO IT!

“Everyone in the cells start coughing except Spaghetti”

Brick: Might as well do it too. “Cough cough”

Brick Wall: That's how to do it son! “coughs”

“One of the guards come and hits them all with sleep darts”

EXILED:

The Sky, Mouse, Sword

“The Sky and Mouse get teleported to an arena”

Sword: Hey! Some newcomers!

The Sky: Huh? Where are we?

Mouse: I don't know. Is this the elimination area?

Sword: Well nothing's really happened so far. Hey what's that?

“A TV appears and rolls towards them”

TV: Welcome eliminated contestants. You failed to keep yourself in the game. Now you must compete for a chance to rejoin.

Mouse: Huh? How does that work?

TV: Well you 3 will compete in a duel to keep yourself in the game. Whoever completes the challenge first wins an advantage, Second placer stays here with the Winner, and the loser will be eliminated permanently. When there are 11 people left in the game, whoever wins the duel will rejoin the game and make the Final 12 AKA Merge. Then, we will reset the process once again so when there are 5 people left in the game, whoever wins the final duel will rejoin the game and make the Final 6 AKA A big step in the game!

Sword: Count me in! I will NOT settle for the first boot!

TV: Wonderful. It's time to begin your first challenge as eliminated contestants.

CHALLENGE: Escape your jail cell

TV: All of the challenges will be based off of the ones that the still in contestants face. As some of the contestants were trapped in jail cells, that would be related to sudden death.

The Sky: Another challenge I can't do-

TV: Each of you will be trapped inside of a wooden jail cell with sticks and rope. You must tie it together to create a long pole. Then you will use your pole to retrieve a round key that will unlock your cage. First 2 people to complete the challenge will stay in the game. The loser is permanently eliminated from the game.

The Sky: Wow none of us have legs and I DONT HAVE ARMS!

TV: Use your mouth.

The Sky: Oh okay.

TV: Good luck. Your life in the game depends on it. 3.2.1.BEGIN!

“Everyone starts gathering sticks and start making the rope”

Sword: This is easy! Just bing, bap, and BOOM! That's how to do it.

TV: It's not that easy as it sounds. The key is very far away so your stick can break easily. Time and strategy is key to this game.

Mouse: Oh! Well, change of plans.

“Mouse starts doubleknotting every rope”

Sword: Let’s see...I have a finished rope...Oh well, I’ll send it!

“Sword starts sending the rope towards the key trying to poke it through the hole”

Sword: Hngh! Frgh!

The Sky: “muffled” Hey! This is so hard without any limbs!”

Sword: I got it!

“The stick starts shaking”

Sword: What. Is it the stability?

Mouse: I finished! Now it’s time to finish!

The Sky: “muffled” I did it too!

“Mouse and The Sky start moving their sticks towards the pole”

Sword: Come on...

“Sword’s stick starts bending”

Sword: Hey! Stick it!(pun intended)

Mouse: I got the key!

The Sky: “muffled” lucky.

“Mouse’s stick starts bending”

Mouse: “gasp!”

“Mouse pulls the stick backwards and key lands on the cage”

Mouse: I got it!

“Mouse unlocks her cage”

Mouse: YES!

TV: Mouse. Congratulations. You win a reward that will only activate if you rejoin but more importantly, you stay in the game. Only Sword and The Sky remains.

“The Sky’s stick breaks”

The Sky: NO!

Sword: Hngh...I got my key! YES!

“Sword unlocks his cage”

Sword: BOOYAH!

The Sky: “sigh” aw man.

Mouse: Oh Sky! Sorry that you’re eliminated.

The Sky: It’s whatever. I knew it anyway.

Mouse: Don’t say that! You played hard as someone who couldn’t move!

Sword: And you ate her.

Mouse: Sword!

Sword: What? It’s what I heard.

Mouse: whatever. I’ll win for you Sky!

The Sky: Thank you Mouse. Thank you all.

TV: The Sky. For failing to complete the duel challenge, you are the first contestant eliminated from POS. Please exit the arena.

“The Sky flies out”

The Sky: Good luck you two!

“Mouse waves back as Sword doesn’t care”

[26th Place: The Sky]

TV: Congratulations Mouse and Sword. You have won this duel and have kept yourself in the game. You will wait here until someone else is eliminated. Thank you.

Sword: Easy.

Mouse: Yes!

TV: Looking forward to it. See you then.

“TV turns off”

Mouse: Well, I’m going to keep my A-Game!

Sword: “scoff” I’m going to win!

Mouse: Let’s see loser!

“Sword is about to tackle Mouse”

ACTUAL END.

EXIT:

The Sky: Ugh, I knew it. First boot is something I never wanted but oh well, I had a disadvantage anyways. I really liked my time here and I wished I stayed longer. If I had arms and legs, I would have done better than this. Oh well. It was fun! Cliff jumping, catching stars, and just struggling to drive a bumper car, hopefully the experience was all worth it. Thank you for having me!
