Alliteration and Tongue Twisters

What makes talking in Tongue Twisters so troublesome? Come to our Meet and let's learn about Alliteration! Of course we will create some movements to try with our tongue twisters too! Will movements make it easier or double the difficulty? Let's figure it out together!!

★**Bonus activity: Write your own tongue twister or alliteration and share on a [flipgrid HERE](#)

Tongue Twisters:

Peter Piper

Peter Piper picked a peck of
pickled peppers. A peck of pickled
peppers Peter Piper picked.
If Peter Piper picked a peck of
pickled peppers,
where are the pickled peppers
Peter Piper picked?

How many snacks
could a snack stacker stack,
if a snack stacker
snacked stacked snacks?

**Betty bought
butter but the
butter was bitter,
so Betty bought
better butter to
make the bitter
butter better.**

Best Tongue Twisters

Parade

She sells seashells by the seashore.
The shells she sells are surely seashells.
So if she sells shells on the seashore,
I'm sure she sells seashore shells.

One final day, one final time...

Poetry Prop Scavenger Hunt!

ScAVenGER
Hunt!

For this week's Creative Dramatics, we will begin our meet with a scavenger hunt to find props to use for this week's 2 NEW mystery poems.

After we have collected all the items from the scavenger hunt, Mrs. Tully will share and post this week's poems. [HERE](#)

You will then choose one of the two poems, and practice the poem on your own with your props. Share your interpretation on a flipgrid. (Follow the link and press the green plus sign to record. 😊) [Flipgrid Link](#)
