Ignite Food Store

For over a decade Jesuit Social Services has been connecting with and offering service to the people of Emerton and wider Mt Druitt.

Jesuit Social Services
Building a Just Society

From the very basic offering of simple bags of donated food to what is now a mission providing essential support to thousands of people every year. Every day we connect with families and individuals who are struggling. Imagine what it must be like to be out of food and still have 5 days before there's any money in your account. So many people out here experience this on a regular basis and Ignite Food Store has become the point of hope for so many people.

Due to the ongoing increased costs of living, we are now seeing more than ever before, young families, retired and elderly folks, low-income families, people experiencing homelessness, unemployed younger people, people with disabilities, and women and children escaping from domestic violence.

All are regular visitors to the Ignite Food Store. They leave with bags full of fresh fruit and vegetables and other essential food items to get them and their loved ones through the fortnight.

Your contribution and generosity make such a wonderful impact on the lives of so many and partner with us in building a just society.

We would like to extend our gratitude on behalf of the Ignite Food Store team and our community customers.
