Agenda/Notes:

CO Dept. of Health Care Policy and Financing (HCPF) (Adam Tucker & Jenny Jordan)

- Overview of Supported Employment outcome-based program restructure - learn about how Supported Employment reimbursement will change beginning later this year.
 - **Because HCPF is already scheduled to give the same planned overview as on Wednesday May 20, we encourage members to tune in there so he does not have to give the presentation twice. We may schedule a zoom call in June with HCPF and Adam & Jenny to do a deeper dive into what they are covering on Wednesday.**
 - **May 20 at 3 - 4:30pm; Supported Employment Stakeholder Engagement Meeting - [REGISTER HERE >](#)**
 - The Department and the Colorado chapter of the Association of People Supporting Employment First (CO-APSE) is hosting a stakeholder meeting related to the new Outcome-Based Model for Supported Employment services. The presentation will be a walk-through of the new Supported Employment Outcome-Based model with a focus on the people providing Job Development and Job Coaching services. It will include a peek at some of the new documentation and a discussion on the strategies that you can use to be successful in your role.

HCPF welcomes all interested stakeholders to join us on Wednesday, May 20, from 3 to 4:30 p.m.
