Howdy (Friends/Family/Whatever),

I am participating in Aggie Miracle's Aggiethon at Texas A&M University right now as a Miracle Maker to raise money for McLane Children's Medical Center in Temple, Texas!! Aggiethon is a 6-hour event in which students stay on their feet the entire time to celebrate children's lives. We dance, play games with Miracle children, and celebrate the total amount of money raised that year through various events and individual fundraising efforts. Today my personal fundraising goal is (insert goal here), and any contribution you make will provide essential funds to our local Children's Miracle Network Hospital to help save and improve the lives of thousands of children every year. Please consider making a monetary donation to help me reach my personal goal! You can donate safely online through my DonorDrive fundraising page (insert link), If you are unable to make a monetary donation at this time, just simply share this post and help spread awareness! Thank you in advance for your support in making this year's Dance Marathon a great success!

For the Kids,
(Your Name)
