33rd Annual Meeting of the Society for Hard Tissue Regenerative Biology

The 8th Asian Science Seminar in TAIWAN

Date & Time: August 22–24, 2025 (Friday–Sunday)

Venue: 9th Floor, Cheng-Ai Building, Chung Shan Medical University & Fleur de Chine Hotel, Sun Moon Lake

Submission Period: April 25, 2025 – June 30, 2025

Call for Abstracts

1. General Information

Please refer to the "Abstract Sample" below and submit the title of your presentation, name of presenter(s), affiliation(s), contact information, and preferred presentation format to the organizing committee office. As with last year, outstanding presentations will be awarded. Approximately 1–3 presentations from both oral and poster sessions will be selected for awards.
We especially encourage young researchers to apply.

2. Presentation Format

Two presentation formats are available. Please indicate your first preference in the abstract. Depending on the number of presentations, your preference may not be accommodated. In such cases, the final decision will be made by the organizing committee.

1. Oral Presentation:
   Presentation time will be 7 minutes (in Japanese or English) + 3 minutes for Q&A, totaling 10 minutes.
   PPT slides must be in English.

2. Poster Presentation:
   A one-hour discussion session is planned.
   Posters must be in English.

Poster size: approximately 90 cm (width) × 120 cm (height).
Details regarding the presentation will be provided to each presenter.

Only those who have been approved in advance can participate in events at Sun Moon Lake. Participants who are not attending the event at Sun Moon Lake to give their **poster presentation at Chung Shan Medical University**, **clearly indicate this in their abstract submission email**.

3. Abstract Guidelines (See Sample Below)

1. Presentation title in Japanese, presenter name(s), affiliation(s) (underline the main presenter)
2. Abstract in Japanese (up to 300 characters): Clearly state the purpose, methods, results, and discussion
3. Presentation title in English, presenter name(s) (full name), and affiliation(s)
4. Abstract in English (approx. 100 words): Must be consistent with the Japanese version
5. Contact information: Address, phone number, and e-mail address
6. Preferred presentation format (oral or poster)

4. Submission Method

Please send items 1–6 in the Abstract Guidelines as a Word document attachment via e-mail to: dentistry.csom@gmail.com

If you do not receive a confirmation reply within 3 days, please contact us again via the same e-mail address.

5. Contact Information

33rd Annual Meeting of the Society for Hard Tissue Regenerative Biology
The 8th Asian Science Seminar in TAIWAN at Chung Shan Medical University, Taiwan – Organizing Committee
Chair of Organizing Committee: Dr. Chun-Cheng Chen
Email: dentistry.csom@gmail.com

6. Deadline

Monday, June 30, 2025

7. Board of Directors Meeting

Date: Friday, August 22, 2025 – 16:00
Venue: B1 Floor, Hotel National, Taichung, Taiwan
Board Dinner: Friday, August 22, 2025– 18:30
(Details to be announced in advance)

Abstract Sample

次亜塩素酸抗菌剤のin vitroにおける細胞毒性および抗菌活性

蔡政峰[a], 鐘家家[a], 丁信智[a,b], 陳俊呈[b,c]
[a]口腔科學研究所, 中山醫學大學, 台中, 台灣
[b]口腔醫學部, 中山醫學大學附設醫院, 台中, 台灣
[c]牙醫學系, 中山醫學大學, 台中, 台灣

細菌に関連する口腔疾患であるう蝕や歯周炎は、口腔の痛みや機能低下を引き起こす広範な流行性疾患である。本研究の目的は、次亜塩素酸（HOCl）の異なる濃度におけるin vitroでの細胞毒性と抗菌活性の評価を行うことである。

In vitro cytotoxicity and antibacterial activity of hypochlorous acid antimicrobial agent

Cheng-Feng Tsai [a], Jia-Jia Chung [a], Shinn-Jyh Ding [a,b], Chun-Cheng Chen [b,c]
[a] Institute of Oral Science, Chung Shan Medical University, Taichung, Taiwan
[b] Department of Stomatology, Chung Shan Medical University Hospital, Taichung, Taiwan
[c] School of Dentistry, Chung Shan Medical University, Taichung, Taiwan

Bacteria-associated oral diseases such as dental caries and periodontitis are widespread epidemics that cause oral pain and loss of function. The purpose of this study was to evaluate the in vitro cytotoxicity and antibacterial activity of different concentrations of hypochlorous acid (HOCl).
