

KOJIMA JEANS STREET MAP

Attention, the world, Kojima jeans come from here !!

Kojima is the heart of Japanese jeans production. The skills of the artisans remain here, from dyeing to weaving and from sewing to manufacturing. As the Holly Land of jeans, Kojima Jeans Street hosts the stores of Kojima jeans manufacturers in the pretty Ajino shopping street.

- South area map :

- P2 = Public parking lot (toll) : We provide discount tickets for the toll parking lot for customers who have purchased more than 3000 yen in the stores.

- North Area map :

- P1 = Jeans Street parking lot (free) : Parking spots 1-10.

- Shop list :

The Ajino shopping street in the center of Kojima had closed its shutters and was abandoned.

In 2010, we, jeans enthusiasts, decided to gather together and give it a rebirth. Thanks to the gathering of jeans shops, cafes and galleries, jeans culture is flourishing here.

- 100 : Japan Blue Jeans :

« a brand created by a denim maker with more than 20 years of experience in Kojima ».

We developed an abundant variety of cloths that you can see evolve with time. Our main characteristic is the fusion of vintage components and beautiful urban silhouettes.

Hours : 10 :00-19 :00. Closing days : None (except New Year's holiday)

- 101 : Momotaro Jeans Kojima Ajino Main Store

Meeting with the one jean on earth

Momotaros jeans flagship store gathering all our products.

Hours : 10 :00-19 :00. Closing days : None (except New Year's holiday)

- 102 : Dania Japan

We offers goods of a basic style added with an original taste.

Quality is manufactured and verified by our artisans. A particular attention is paid to the beauty and shape of the neck line, with the traditional Japanese concept of « nuldemon ».

Hours : 10 :00-19 :00. Closing days : None (except New Year's holiday)

- 103 : Rampuya Aibatake

What is the natural indigo ? Is it different to regular indigo ?

We want to pass on our experience to young generations. The importance of labour. The feeling of the texture on the skin.

We want to value techniques from the past : dyeing slowly, step by step.

* Reservation is required for the dyeing experience.

Hours : 10 :00-16 :00. Closing days : Sundays, public holidays

- 107 : SAIO

It is the direct-selling store of our factory brand.

The direct-selling store of this maker established for 60 years in Kojima was the first to settle in the Jeans Street. With soft cloth as main feature, more than 40 types of goods are gathered here. With a wide line-up for both men and women and for all ages, our brand has many fans.

Hours : 10 :00 (12 :00 for weekdays)-19 :00. Closing days : Sundays, New Year's holiday)

Monday

- 108 : Appledo

We are Appledo !

We do our best so people who visit the jeans street think of it as a stylish and wonderful place. Of course we also want to create original jeans.

Hours : 11 :00-18 :00. Closing days : indefinite. Opening days are indefinite too. We apologize for the eventual troubles. We usually open on the weekend.

KOIJIMA JEANS STREET MAP

Attention, the world, Koijima jeans come from here!

Koijima is the heart of Japanese jeans production. The skills of the artisans remain here, from denim weaving and from omringt@ manufacturing. As the Holy land of jeans, Koijima is the store of Koijima jeans manufacturers in the preliijino shopping street.

-Soulhareamam " P2 Public parking lot (toll) : We provide for the toll parking lot for customers who have purchased more than 1113113000 yen in the stores.

Shop list:

The Ajino shopping street in the center of Koijima had closed its shutters and was abandoned. In 2010, we, jeans enthusiasts, decided to gather together and give it a rebirth. Thanks to the gathering of jeans shops, and galleries, jeans culture is flourishing here.
