

January 5, 2026

Dear Fellow Rotarian,

It is time for our Foundation to raise funds from our members to help us make a positive impact in the community and around the world. In 2025, our Foundation supported the following:

- FOCUS Neighborhood Meals
- For One Child of India (Seshli)
- Guatemala Literacy Project
- LHS Dodgeball Classic (raising support for Hannah Center)
- LHS Interact Club
- Polio Plus
- Rotary Boy Scout Troop 105
- Rotary Ramps
- Sasco Tanzania Catherine Tuition
- Tanzania Water Project
- United Way Day of Caring
- United Way Great Book Giveaway
- United Way We Can Food Sculpture
- WRCT Summer Youth Theatre
- WRPS Athletic Facility Fund
- Youth Rotar Meals
- Youth Rotar Scholarships

That's a lot of good! And we can't do that without your support. We are again asking each of you to consider a gift of \$275 or more to our local Foundation annually. Our goal is to raise \$10,000 with this fund drive, which we will use to do good during our 2025-2026 Rotary year. To reach that goal, some of our members will need to give more than the suggested amount. We encourage you to give generously. If you cannot afford to give \$275, we understand. But we are asking that all our members give something. Anything you give adds to the good we can do. We want to complete our fund drive by March 2, 2026.

Any contributions received since July 1, 2025, will be credited to this fund drive. If you are unsure if you contributed, please get in touch with Tari Jahns (tari@uwsvac.org). (Our local Foundation is different than the Rotary International Foundation, which you may have already contributed to during this Rotary year).

If you have any questions, don't hesitate to contact one of us.

Sincerely,

Warren Miller
