★ AUDITION INFORMATION (Underclassmen Only)

- Nov 3 & Nov 4 - Pick one for auditions
 - 3:00-5:00 pm
- Sign up for an audition slot ([Click here to sign up](#))
 - NO PREPARATION NECESSARY, your audition will be a mix of activities, cold reading, character work, and improvisation.
 - You are encouraged to read the script to prepare yourself:
 - [Read the Script Here](#)
 - You will stay until the end of auditions, there will be no callbacks.
 - You are encouraged to dress nicely but comfortably for your audition, to show your professionalism but also be able to move freely.
 - We will most likely cast everyone but it is based on how many people audition.

★ CREW / CREW HEAD INFORMATION

(All grades welcome, priority will be on learning experiences)

- [Click here to apply for crew and crew head positions!](#)
 - If you are planning on auditioning but would like to be considered for crew as a backup, you must submit an application before the deadline.
 - Consider applying for a crew you have not worked on yet! A well-rounded techie is a good techie.
- Combined application for crew head and crew positions
 - Crew Head applicants are encouraged to read the script for design ideas:
 - [Read the Script Here](#)
- Positions will be selected based on your application, so be thorough - treat it like an interview.

★ DIRECTING / SM / PRODUCER INFORMATION (Upperclassmen)

The leadership team will be selected as part of Theatre Production Ensemble class. If this is something you are interested in doing in the future but aren't sure how, please talk to Diaz about building a pathway to take Productions as a junior or senior!
