

Privacy Policy

Oleksandr Bilyk Inc. built the TV Remote Control - Samsung app as a Free app. This SERVICE is provided by Oleksandr Bilyk Inc. at no cost and is intended for use as is. This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at TV Remote Control - Samsung unless otherwise defined in this Privacy Policy.

App Purpose and Functionality:

- This app is designed specifically to enhance the user experience for Samsung TV owners by providing an intuitive and user-friendly remote control interface. The app utilizes the TVCommanderKit SDK, allowing for precise control of Samsung Smart TVs across various models.

Branding and Affiliation:

- Please note that this app is **not** an official Samsung product. We have included a clear disclaimer in the app description to inform users that this app is not affiliated with or endorsed by Samsung Electronics.
- We have made every effort to ensure that there is no misleading use of Samsung's branding or trademarks.

Disclaimer in Metadata:

- We have included a comprehensive disclaimer in the app's metadata to clarify that the app and its developer, Oleksandr Bilyk Inc., are not associated with Samsung Electronics or any other companies mentioned in the app.

User Experience Focus:

- Our primary goal is to offer Samsung TV users a superior remote control experience. This app has been carefully designed and developed to operate exclusively with Samsung TV models, providing a more stable and focused solution compared to generic remote apps.

Legal and Compliance:

- We are committed to complying with all of Apple's guidelines and intellectual property laws. We are also actively seeking official permission from Samsung to use their brand name in a way that is transparent and legally sound.

Manage subscription & trial

TV Remote Control - Samsung is available on iOS platform. The app is flexible in the usage options.

It is free to download, but there is also a Premium pack with superpowers like unlimited connections, unlimited channels, setup for all models of Samsung TV, and cross-platform support. We offer a free subscription for 3 days, and after the trial expires, you can either subscribe to access the Premium pack or use the basic version for new users without any extra costs.

You can [cancel a subscription](#) anytime in the Settings of your device at least one day before each billing date.

Information Collection and Use

For a better experience, while using our Service, I may require you to provide us with certain personally identifiable information, including but not limited to none. The information that I request will be retained on your device and is not collected by me in any way.

The app does use third party services that may collect information used to identify you.

Log Data

I want to inform you that whenever you use my Service, in case of an error in the app I collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol

("IP") address, device name, operating system version, the configuration of the app when utilizing my Service, the time and date of your use of the Service, and other statistics.

We also automatically collect from your device: language settings, IP address, time zone, type and model of a device, device settings, operating system, Internet service provider, mobile carrier, hardware ID, Facebook ID, and some other unique identifiers (such as IDFA and AAID). We need this data to provide our services, analyze how our customers use the app, to serve ads.

For improving the app and attracting users, we use third party solutions. As a result, we may process data using solutions developed by Amplitude, Facebook, Firebase, Google, Apple, Appsflyer, Crashlytics. Therefore, some of the data is stored and processed on servers of such third parties. This enables us to (1) analyze different interactions (how often users make subscriptions, the average weight and height of our users, how many users chose a particular area for improvement); (2) serve ads (and are able to show them only to a particular group of users, for example, to subscribers). Consequently, we, in particular, better understand in what of our features and content you see the most value and are able to focus on them to enhance your experience and increase the quality of our products.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

I may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

I want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to do necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.

This policy is effective as of 2024-08-14
