

Hi April,

Leslie Knope here, and I'm beyond excited to share some fantastic news with you. I've decided to throw my hat into the ring for President of the United States, and I want you to be the first to know!

I'm fueled by a passion for public service, and my experience as the Deputy Director of the Pawnee Parks and Recreation Department has only strengthened my commitment to positive change. During my term, I fought for the Pawnee community and fought against MAGA extremists.

Now, I'm ready to take that dedication to the White House. We deserve better than the hate, division, and extremism offered by the far-right Republicans. It's time to rise above the negativity and focus on what truly matters: the values that make our Pawnee community strong.

As your next President, I will champion reproductive freedom for all Pawnee citizens, confront rising costs head-on, and take life-saving action on gun safety. But, I can't do it alone. Our success depends on the generosity of people like you who believe in our ability to rise above political extremism.

I'm asking for your support today. By chipping in just \$5 to our campaign, you're helping us connect with voters in District 22 and working towards a brighter future for us all.

There's a lot of work ahead, and I'd love to have you join us. You can sign up as a volunteer on our website or respond directly to this email for more information.

Let's show America just how great Pawnee Parks and Recreation is. I'm excited to see you on the campaign trail!

Yours truly,

Leslie Knope
