

# Virtual Crafts

## Competition

We would like you to create a craft using what you have available around the house. It can take any form of art that you like (drawings, paintings, sculptures etc.).

Please submit your entries on this task or use the link to upload it straight to the House Google Drive:

<https://drive.google.com/drive/folders/HouseCrafts>

Please upload a **clear** photo of your masterpiece as well as some photos/videos of you creating it. Remember to upload your entry in the correct folder 'Prep' or 'Senior' and your entry needs to be named as **YOUR NAME**.

The judges will be focusing on the following to pick the winning entries:

1. **The level of challenge**
2. **How creatively objects around the house have been included/used**
3. **The standard of the skills used to create the piece**

You earn **3 House points** for taking part in the competition. You may enter more than one piece and work with your siblings if you would like to.

See the next page for examples of what you could make.
