Hi Everyone!

Thank you to all of you who have continued to give regularly to the road fund. It makes SUCH a difference! **We now have over \$14K in the bank towards Phase 1b** (to continue down White Oak and Beech Ridge and through Bent Pine). We have also received several pledges from new neighbors, which is great news and will help to spread the cost. If we all do our part, we will be there in no time!

Here are our engagement percentages as of today:

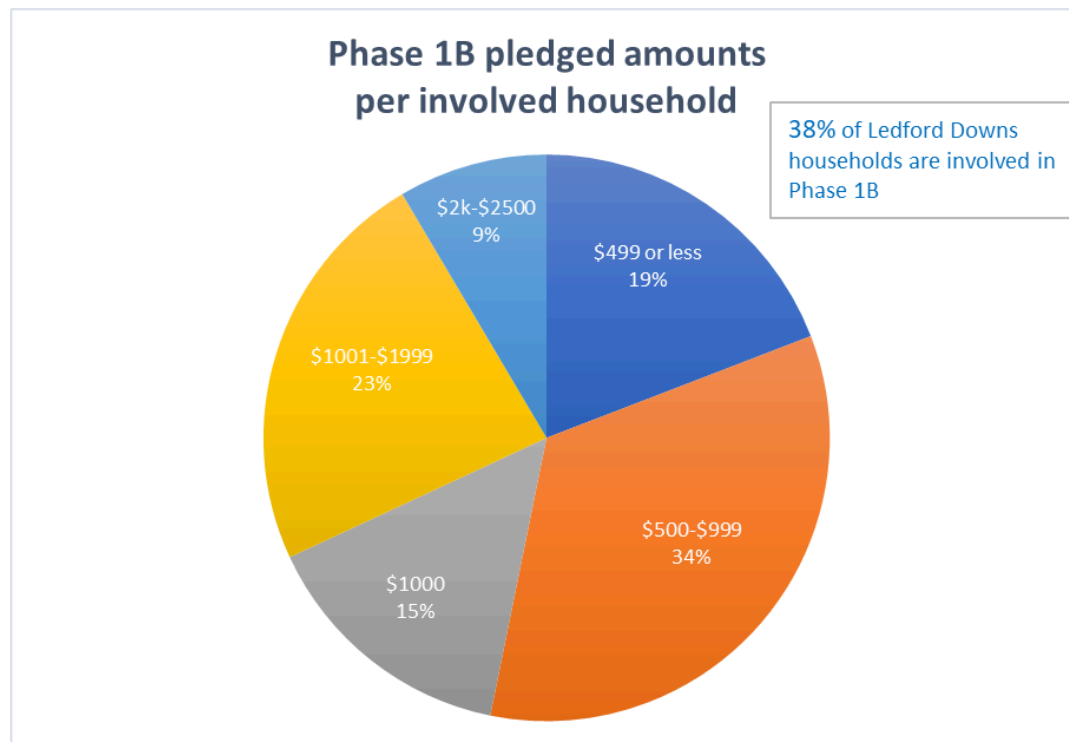

Neighborhood involvement for Phase 1B

2021-2022 membership = 50.4%

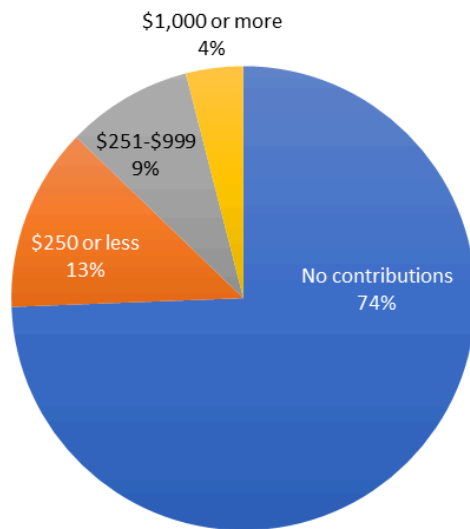

Phase 1B **contributions** = 25.6% of households

Phase 1B **pledges only** = 12% of households

Phase 1B **total engagement** = 37.6% of households

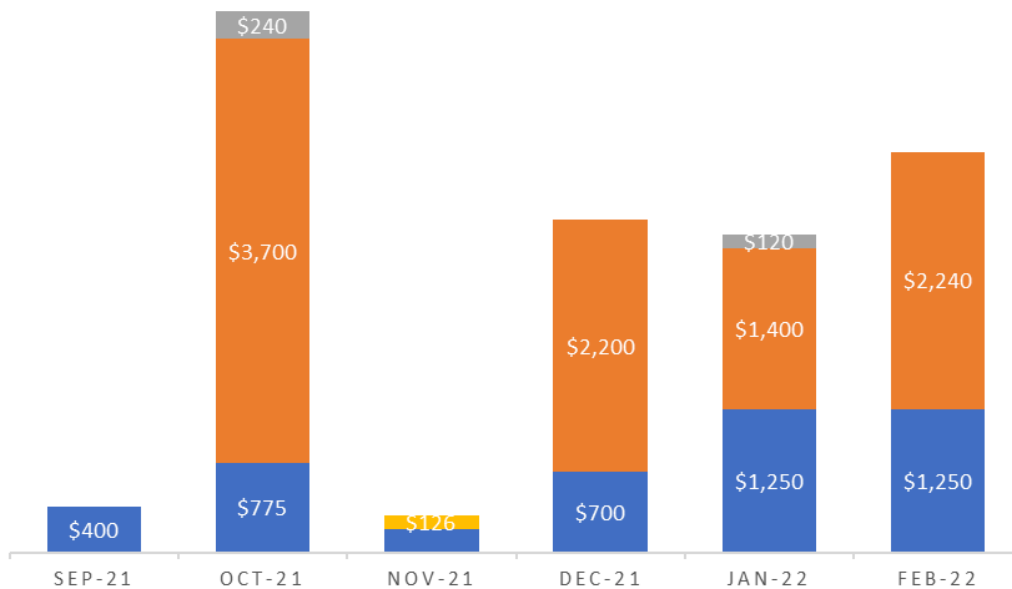

Contributions per household as of 2/26/2022

LDRMA CONTRIBUTIONS PER MONTH AS OF 2/26/2022

■ Monthly donations ■ Lump sum contributions ■ Members only ■ Fundraisers

If you have not made a pledge for the next phase of paving, please do so! Our pledge form is linked [here](#). Keep in mind that **if each family contributes \$50/month, we will be able to pave Phase 1b within the year**. This is only **about \$1.50 per day**, a worthwhile investment for our roads, our cars, and our home values!
