

To whoever it may concern,

I would like to inform you that I [name] is currently studying in [university name] and currently located at [address details]. Verifying the details regarding state of [state]. Vaccination plan led by [US state name] highlights on eligibility condition related to student is stated as a critical student in the risk of higher standard setting and it does meet the eligibility standards related to [mention the details of VISA].

It is my earnest request that I would like to travel to start my program this current semester at [university name]. The visa for [type of visa] has not passed out yet. It means that still there is a time to continue with the VISA.

It is necessary to let you that I have been advised to maintain social distancing and stay on quarantine for a period of 14 days as advised by [name of country's health authority]. It is expected from the end to quickly finish the classes and appear for the semester exams. As soon as National Interest Exception is finalized, I will definitely make travel arrangements.

As a proof, I have submitted the necessary documents for processing the visa and these are[mention type of form], unexpired visa stamp, copy of passport and [mention type of verification form] and that would help in qualifying for the full time enrolment.

For your better understanding, I have also submitted the copy of the admission form that I had filled up to apply for [name of course].

I do think that all these documents will serve appropriate to qualify for the National Interest Exception. Please let me know when you would be calling me. I am sending my email id which is [email id] and also contact number which is [contact number] for further better contact.

Thanking You,

Yours Sincerely,

[name of person] [date]
