## Size Charts

### How to Measure

Grab a t-shirt in your closet that you like the fit of and lay it down flat. Then take a ruler or measuring tape and measure the chest and length to predict how our t-shirts will fit you.

#### Measure the Chest

Place the tape measure across the chest and under the armpits. =

#### Measure the Length

Put the beginning of the tape measure on the shoulder blade seam and the end of the tape measure on the hem of the t-shirt.
