The planets revolve around the sun in Orion's Arm. (*Flex arm muscle*)

The planets revolve around the sun in Orion's Arm. (*Flex arm muscle*)

The planets revolve around the sun (*Twist index finger in a circle*)

And spin on their axes every one. (*Spin around in place*)

As they all go spinning, (*Spin around in place*)

Around and around in the Milky Way. (*Spin around in place*)

Mercury, Venus, Earth, and Mars (Terrestrial planets) (*Hold up 1, 2, 3, & then 4 fingers*)

Mercury, Venus, Earth, and Mars (Terrestrial planets) (*Hold up 1, 2, 3, & then 4 fingers*)

Mercury, Venus, Earth, and Mars, (*Hold up 1, 2, 3, & then 4 fingers*)

All whirling and twirling among the stars (*Spin around in place*)

As they all go spinning, (*Spin around in place*)

Around and around in the Milky Way. (*Spin around in place*)

Jupiter, Saturn, Uranus, and Neptune (The Gas Giants) (*Hold up 1, 2, 3, & then 4 fingers*)

Jupiter, Saturn, Uranus, and Neptune (The Gas Giants) (*Hold up 1, 2, 3, & then 4 fingers*)

We now have to leave Pluto out of this tune (*Hold out both hands, shake head, & frown*)

As they all go spinning, (*Spin around in place*)

Around and around in the Milky Way. (*Spin around in place*)
