Our lives over to the care of God;
(Understanding Him to be the Lord Jesus Christ).***

Step Three is an affirmative Step. It's now time to make a conscious decision. In the first two steps, we became aware of our condition and accepted the idea of a power greater than ourselves. Although we are beginning to know and trust God, we may yet find it difficult to trust Him totally to be in charge of our lives. However, if the alternative is to continue facing life making our own choices apart from God, His guidance may be easier to accept.
