## **ELA**

We will continue with our unit on, "A Long Walk to Water" and will continue our practice of citing textual evidence to support our claim.

**Science:** This week students will be writing their 5 paragraph essay on viruses. They need to make a claim, are viruses living or not, then find information to back up their claim. Everything is on Google Classroom. This will be due Monday the 13th.

**If you are absent, please check Google Classroom.**

## **Accelerated Math:**

We will start a new unit on solving problems with percentages, talking about taxes, tips, commissions, etc.

## **Math:**

This week we're working on concepts of proportionality. Students will be starting a scale drawing project with candy bars. Make sure your student has at least one small sized candy bar wrapper.

## **Social Studies:**

We will finish our study of Rome with a creative project about the Fall of Rome. There will be many different options for students to find a suitable creative outlet.

**HPE:**

Nederhoed- Mon. Library, Tue./Thur. P.E. days, Wed./Fri. Health days. This week students will be working on an influential person project.

Hoppe: Health (T/Th), PE (M/W), Library (F) This week we will be taking an assessment on goal-setting.

Nordhagen: Library (M), Health (T/Th), and PE (W/F) We are continuing our exploration of character values this week.
