

Post briefing: Focus is on informing people Shieldeum will Partner with KuCoin plus also get listed on Gate and MEXC.

About Shieldeum

Shieldeum is a next-gen platform revolutionizing secure computing power for crypto users, leveraging an AI-powered Decentralized Physical Infrastructure Network (DePIN). It's an ecosystem designed to empower 440 million crypto holders with state-of-the-art data encryption, Web3-optimized hosting, and unparalleled cybersecurity solutions.

We are thrilled to announce that **KuCoin will partner with Shieldeum** and will **list SDM on November 28th at 13:00 UTC!** As part of this partnership, KuCoin will serve as the exclusive distribution partner for the SDM Airdrop and Shieldeum's Telegram Mini-App rewards.

Key Announcements

Strategic Partnership with KuCoin

We're thrilled to announce that **Shieldeum (SDM)** is officially partnering with **KuCoin!**

- **KuCoin Partnership Details:**
 - **Listing Date & Time:** November 28th at 13:00 UTC
 - KuCoin will serve as the **exclusive distribution partner** for the **SDM Airdrop** and **Shieldeum's Telegram Mini-App rewards**.
 - **Airdrop Distribution:** December 9th
 - **Historic Milestone:** Shieldeum is the **lowest FDV DePIN launch ever on KuCoin**, marking the biggest opportunity in the DePIN segment.

This collaboration underscores KuCoin's trust in Shieldeum as a high potential DePIN network.

Listings on Gate and MEXC

In addition to KuCoin, **Shieldeum (SDM)** will also be listed on **Gate.io** and **MEXC**, expanding accessibility to more countries globally enabling more people to trade SDM.

More Listings?

We are in multiple conversations with other Top Exchanges in Crypto for both Spot and later Perp listing. These conversations are under a NDA (Non-Disclosure Agreement) which means that we are not allowed to talk about it with anyone. Our goal is to be listed on all of the top exchanges as soon as possible and work tirelessly to make that a reality.

Key Airdrop Distribution Details:

- Participants UID submission period: Nov 21st - Dec 5th.
- Shieldeum Team takes snapshot of user standings: Dec 5th
- KuCoin Verifies UID's: Dec 6th - 8th
- KuCoin Distributes Airdrop Tokens to Users: Dec 9th
