

Blog Post #2: Disappearing Languages

[National Geographic: Disappearing Languages](#)

[Language Link \(if top link does not work\)](#)

Blog post assignment #2:

Click on the link above and explore the different disappearing languages. Select one language that is “disappearing” on the map.

Answer the following questions about your selected language:

- 1) What language did you select? Why?
- 2) Why is this language considered a “dying language”? (You might have to do some additional research.)
- 3) What suggestions do you have to help keep this language alive?
- 4) Make a chart with 5 slang words from your generation.

Example:

Slang word/phrase selected:	Your translation of word/phrase:	Explanation of word/phrase grandparents generation?
What's up?	How's it goin'?	How are you feeling today?

- 5) How will your generation keep your language alive?

Due by class time on Thursday on Sept. 11th.
