

Privacy Policy for Khotian App

Effective Date:07/09/2023

Introduction

Thank you for choosing Khotian! This Privacy Policy explains how we collect, use, disclose, and safeguard your non-personal data while you use our app. We respect your privacy and are committed to protecting your data. By using Khotian, you consent to the practices described in this policy.

Information We Collect

Khotian does not collect any personally identifiable information or user data. We do not request access to your device's camera, contacts, location, or any personal information. We only collect non-personal data necessary for the app's core functionality, which includes:

- Income and sales data you input into the app.
- App usage statistics and crash reports to improve our services.

How We Use Your Data

- Income and sales data are solely used within the app for calculation and reporting purposes.
- App usage statistics help us understand how users interact with our app and improve its performance.

Data Security

We take reasonable measures to protect your data from unauthorized access, alteration, disclosure, or destruction. Our app is designed to store your data locally on your device and does not transmit it over the internet or to any external servers.

Data Sharing

We do not share your data with third parties, and it remains entirely within your control on your device.

Children's Privacy

Khotian is not intended for use by children under the age of 13. We do not knowingly collect any data from children under 13 years old.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. Any such changes will be effective immediately upon posting the revised Privacy Policy within the app. Your continued use of Khotian after any changes means you agree to the revised policy.
