

Minecraft

By freddy

Minecraft is a game you can play with your friends. You can play online or offline. You can play ps4 or ps3 & xbox1 and pc. And also There's different textures.

You can build houses traps secret doors but I play on ps4 it's easy to build pc it's a little hard. You can make cities with your friend's you can play the free bata.

Minecarft is an online or offline game you can have mods car mods building ones mining one and other.

Programmer designer markus persson (known affectionately to fans notch.

minecraft was made in 2009 be ready for the end.

Many people play minecraft popular than fortnite & the most rare item is diamond.
