

Classical Academy High School

Personalized Learning Campus

Parent Volunteer Info

Each family is strongly encouraged to volunteer 25 hours of time during the school year. We depend on parents and the partnership is critical to the success of our program. If you would prefer to contribute financially towards programming at The Classical Academies, that is also encouraged. If you would prefer to donate money or purchase items for our school, you can record one hour for every \$10 you spend. And remember, we ask for 25 hours per year per family. If you have students at multiple campuses, any hours worked counts towards your goal.

How can I get more information about Parent Volunteer Opportunities?

We post Parent Volunteer Needs as they come up on the Parent Page on Schoology <https://app.schoology.com/group/1720500502> (Access Code:T9WMS-GMJKZ), or on our [Monday News Page](#). Also, see our flyer with donations we always need.

Where do I record my hours worked?

You can record your hours at this [Google Form](#).

Contact the Events Coordinator for questions!
