

Canyon Ridge Bear Drive

Our National Elementary Honor Society and National Junior Honor Society are proud to host our 4th annual bear drive to benefit the Team Emery Bear Drive for Phoenix Children's Hospital during the holiday season. Our scholars would like your help to make their dream of starting a chain reaction of kindness and compassion a reality.

We are collecting **NEW** teddy bears and other stuffed animals so each child at Phoenix Children's Hospital (and many other children's hospitals around the country) can have a cuddly buddy for the holiday season. Please be sure that all donations are **brand new from the store with tags on them**. We are **unable** to accept used/second hand animals or animals with any scent on them because of health concerns.

With your help, we know we can reach our goal of collecting 1,200 **NEW** bears and stuffed animals between November 19th and December 12th.

Thank you in advance for helping us to make a successful bear drive! If you have any questions, or you would like to arrange a large pick-up or delivery of bears, please feel free to contact me at your convenience.
