

Hello,

I have been a PIPSC steward for 13 years. I am a registered nurse and I have been working for CSC for almost 16 years. I would like to have more involvement within the PIPSC. I am hoping to learn more and extend my network within PIPSC. As a steward I have been supporting members with grievance, accommodations, mediations.

I have been a member of the WHSC for many years. I do have a pretty good knowledge of the CLC. At this point in my career I would like to participate in all union activities in this new capacity. I do not have any experience as an executive and I hope I will be given a chance to learn more and be able to continue supporting our members in this new role.

Thank you for considering my application and please let me know if you require more information. Sincerely, Ioana Cimbulea.
