Basic Information
Please choose a username and supply a real email address. We will send an automatically generated password to this email address, to be used on your first login (you can and should change it then). Should you always request a new one to be sent to the specified email address.

Username:
Email Address:

Link to avatar
You need to establish a link to your avatar in order to transfer virtual currency between your avatar and your VirWoX account. After you have set the avatar name using this form, you need to prove that you are at an in-world VirWoX terminal. Note: After validation, this link cannot be changed by yourself!

Virtual World / Grid:
Avatar Name:

Personal Information
Important: Correct personal information is necessary to transfer money between your VirWoX account and normal bank accounts!

First Name:
Last Name:

Just fill any name in here. It is not important at all.

Täytä jotain. Sinun ei tarvitse toisen elämän tilin.

Account Balance
Your account balance is currently zero.
In order to exchange, you first need to deposit money into your account.

Current discount on exchange commissions: 0%
based on 30-day commissions of: 0.00 SLL
difference to next discount level: 0.00 SLL
More information on discount levels can be found here.

Congratulations, Resident!
Your account has now been activated.
We suggest you now change your password.

This is important. Change your password.

Warning: Your avatar connection has not been validated yet.
Please validate your avatar connection at a VirWoX terminal in order to be able to transfer SLL.

You have to activate your account via mail. Then you will see this screen.

Unimportant. You don't have to validate you avatar. You will be able to buy virtual currencies without it.

Aktivoi tilisi perustettu salasanan. Unohda toinen elämä avatar ...

Pay Terminal in Second Life
Go to a [VirWoX Terminal](#) in Second Life and pay it the amount you wish to deposit.

Bitcoin
Bitcoins are an innovative method to transfer money fast, securely, and anonymously. Payments are inexpensive, as they are performed directly between users identified by a Bitcoin address. Instead of a central payment distributed peer-to-peer network keeps track of all transactions. More information can be found [here](#).
Please click the button below to generate a new Bitcoin address. Any bitcoins sent to this address will automatically be credited to your VirWoX account.
