

Star Wars: Shatterpoint Las Vegas Open Invitational Qualification Process

1. How to qualify for the Star Wars: Shatterpoint LVOIS Championship Tournament

- a. Players participate in officially recognized Full Qualifiers or Points Only events.
- b. After an approved event concludes, the TO must promptly submit the LVOIS Results Submission Form they were sent when the event was accepted. Players will not see their points updated until this form is submitted and processed.
- c. The last call for event results to be turned in will be September 1st.

2. Winning a Full Qualifier

- a. The top overall finisher will receive an automatic invitation to the LVOIS Championship Tournament.
- b. If a player is already qualified or does not wish to attend the next LVOIS Championship Tournament, the invite will be passed down to the next player who does not have an invite. The invite cannot be passed down lower than the 8th-place player at a Full Qualifier.
- c. It is possible that there are enough qualified players, and no one receives an invite. In this case, the event host is welcome to discuss options with the LVOIS Legion Committee. Regardless, the TO should indicate who receives the invite on the LVOIS Results Submission Form.

3. Earning Points at Events

- a. Players receive points based on their finishes at both Full Qualifier events and Points-Only events.
- b. The top 8 players will receive points for events.

4. Team Format

- a. To count for LVOIS, Team Events must use standard Shatterpoint rules per the Core Rulebook.
- b. For a team event, TOs should only reference the "Player Results" tab of LS for LVOIS qualification and points.
 - i. Note that this may mean the invite recipient did not actually win the teams portion of the event.
- c. The amount of points each placement receives will be based on the total number of players under "Player Results," *not* the total number of teams.

5. Determining Player Totals for the LVOIS Championship Tournament

- a. After all automatic invites are accounted for, the players with the most points will be invited until there are 28 confirmed players.
- b. The winner from the previous LVOIS Champs will earn an automatic bid to the next Championship tournament.

- c. Any unfilled spots will be filled from an open/GT-style event during the same LVO. This is normally, but not always, reserved for 1-4 players depending on final totals.
- d. The cutoff for consideration is a minimum of 10 cumulative points.
- e. The LVOIS staff will start filling in players with points in August.
- f. The last call for qualified players confirming they are attending the Championship is September 15th. Invites will not be accepted after this deadline.

6. Points breakdown is as follows:

- a. All players will receive a decimal point score of the total players in the event of tie breaks.

Example: Points event with 23 players = the winner will receive 20.23 points

15 or less players

- b. If your event has less than 16 players, the first-place player will receive points equal to 100% of the players in attendance.

Example: 10 players show up, 1st will receive 10, 2nd 6, 3rd 5, 4th etc.
