1. Meeting was called to order at 11:00 a.m.
2. MACS Regional Update
 - a. MACS Administrative Council meeting dates were set for the year. Each month we will determine if the meetings will take place in person or via Zoom, tba.
 - b. CTE Consolidated Grant – will be submitted on August 16th. Schools that have their budgets ready now will be submitted early. Anne will notify those schools upon approval so they may begin purchasing.
 - c. Equipment Properties lists need to be current reflecting the inventories taking place every two years. Schools will coordinate their lists with Michelle, including updated inventory and disposition details for MACS records.
 - d. Private High Schools – question regarding current agreements with private schools to use public school services? AC members did not have this information.
 - e. MACS Website – will be updated and have a listing of all MVCC Advisory Meetings.
 - f. Tracking Graduates – this year we will pilot the tracking of students in the automotive area. Students needs to be surveyed after graduation (1 year and 5 years). Send the survey results to MACS without any personal student information. MACS will submit to ISBE.
 - g. Program Review Process – all approved CIPs must be reviewed this year. Report to MACS who in your building will be doing the program review and what your timeline is for the review.
3. Adjournment at 11:33
