December - February dates TBA Pep Band Performances are required			

Any students not in attendance for the Summer Band Camp and the Saturday Rehearsal will be removed from the class and placed back in a normal PE class. If special arrangements need to be requested, contact Mr. Allen and Mr. Ford for approval.

In 2nd quarter, the band will be split into 2 Pep Bands to perform at Basketball games during 2nd quarter and the Spring Semester. These rosters/schedules will be shared as soon as the athletic calendar is finalized.

Drumline, Pit Percussion, and Color Guard students have extra required practices after school during 1st semester (more info on Drumline and Color Guard Contracts), therefore those students will be excused from the Pep Band requirement.

I am committing to all listed rehearsals and performances. Any conflicts will be emailed to Mr. Allen and Mr. Ford at allenmike@u4sd.org and fordbr@u4sd.org at **least two weeks in advance**.

Work/babysitting is not excused. I understand that unexcused absences will result in being sidelined or reassigned back to PE.
