Updates, Reminders, and Instructional Supports...

(Teacher Evaluation Standard III: Teachers Know the Content They Teach, Teacher Evaluation Standard IV: Teachers Facilitate Learning for Their Students, & Standard V: Teachers Reflect on Their Practice)

THIS WEEK'S COACHING FOCUS: This week I will continue:

1. Verifying class schedules (*planning before & after; teacher directed vs. child initiated; 65+ minutes of Choice Time; 60 minutes outside time; Music & Movement between two teacher directed components; SEL to start the day-10 min.*) **NOTE:** PAC Time can be shortened to 10 minutes on your schedule since that is the Heggerty expectation.
2. Moving your children into your class in Brigance
3. Verifying that you are working on your Beginning of Year checklist
4. Verifying access to class platforms
5. Supporting PAST administration
6. Checking in with Site Directors

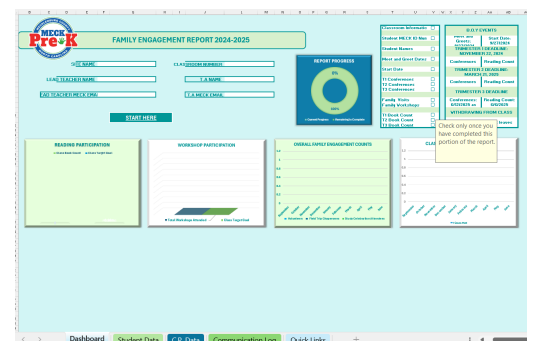

PLC MEETING LOCATION: Our in person PLC meetings will take place at [William R. Davie Conference Center](#), 4635 Pineville-Matthews Road, Charlotte 28226. The meetings will begin promptly at 3:00 and end at 4:15. Our first meeting is next Tuesday, September 10.

ASSESSMENTS:

- **ALPHABET KNOWLEDGE:** This assessment was given during the Meet & Greets. Make sure you have data for all students and administer any make-up sessions as needed this week. This is BASELINE data. Record only the letters/sounds students can identify quickly.
- **PAST ADMINISTRATION:** The PAST administration window opened last Friday and closes this Friday.
- **BRIGANCE ADMINISTRATION:** Next week the Brigance Administration window opens. There are some platform issues that we are aware of and are seeking support from the Brigance tech team. I will move students to your classes this week and you will create accounts for any new student before you administer the Brigance. You will need the students legal name, birthdate and student ID number when you created their account. If you try to create an account but the platform says there is already a child with that name, let me know and I will move him/her to your class.

FAMILY ENGAGEMENT REPORT (FER): I uploaded a FER report into each of your class SharePoint folders. You may begin adding your information. Let me know if you have any questions about this document when I am at your site this week.

To locate this document in SharePoint, go to the MECK Pre-K page>choose documents>choose documents>choose schools>choose class #.

MECK PRE-K PROGRAM REQUIREMENTS CHECKLIST 24-25:

Lead and Assistant teachers complete [this checklist](#) to ensure that all requirements have been met for employment in the MECK Pre-K program. Indicate N/A in the last column for items that do not apply to your position. Update this document throughout the year and give the completed copy to the site administrator by June 1st.

READY ROSIE - UPDATE: [Ready Rosie Procedures for Admin and Teachers 24-25](#) has been updated. Now, teachers can view their Ready Rosie family data as a part of Standard 2e, Standard 4b and Standard 5a and/or what's best to support student outcomes.
