

Hike For Haiti Challenge 2026

Hello everyone! I'm [SpringSims](#) or Stephen and I create content mainly about The Sims on YouTube and Twitch! All my life I've had a big heart for helping others, and using my platform to fundraise for charities I believe in makes me happy. This year, I'm an ambassador for Hope For Haiti for their 8th annual Hike For Haiti Challenge. I'm hosting a charity event for them from April 1st - May 1st, 2026, and I'd love for all of you to participate. I set the team goal to \$5,000 this year, so I need your help.

TLDR: [Hope For Haiti](#) has an annual event called Hike For Haiti to raise money for the rural community of Marre à Coiffe. Since 2019, the Hike for Haiti has raised over \$800,000 for education, healthcare, and clean water programs in southern Haiti! This year, they set a goal to raise \$100,000 for the Haitian community! Hope For Haiti asked me to be an ambassador again for this year's event, so it's my job to create a team of streamers to work together to reach that goal!

How To Get Involved

1. **Create your Tiltify campaign.**

Head to my team's campaign page and scroll down until you find "Support Campaign." Click on it and create your campaign.

2. **Join Our Tiltify Team**

Head to this page and you'll be added to our Tiltify Team for the Hike For Haiti charity event:

3. **Set up your event.**

Tiltify will ask you to name your campaign, set a goal, and prompt you to set milestones and rewards. If you need any help setting up your campaign, let us know! Tiltify can be confusing, and it can be overwhelming if it's your first charity event. We are happy to help.

4. **Join our Discord server.**

We created a server to help organize the event, but we're only sending out invites to those who tell us they're interested. Feel free to join our Discord Server: <https://discord.gg/vS9Mb76A7d>

5. **Stream or Post Videos just once for Hope For Haiti from April 1st - May 1st**

I'm asking people to join us and organize a charity event for Hike For Haiti this year! Don't worry about hosting a charity event every day! Just one stream or one video during that time period is more than enough.

No matter the size of your channel you're welcome to join us! Every dollar counts, and we need your help to make this work - even if you've never hosted a charity stream before.

If you're interested in fundraising for Hope For Haiti at any point throughout the year, you can! You don't have to join my team for it to fundraise for Hope For Haiti! So if you can't join this event but want to fundraise for them in general you can support them through Tiltify. <https://tiltify.com/hope-for-haiti>
